II. Real Estate

A. Bond Volume/4% Credits – Richland Apartments

Chairperson Golden recognized Peter Nelson, who presented Bond Volume/4% Credits – Richland Apartments.

Background:

IHCDA is empowered to act as the housing credit agency for the State to administer the allocation of the Internal Revenue Service Section 42 low-income housing tax credit (LIHTC) program. The purpose of the LIHTC is to provide an incentive for private developers and investors to create affordable rental housing. This may be accomplished by new construction and rehabilitation of existing structures.

Process:

On January 1, 2020, IHCDA began the 2020A-B bond round for multi-family bond volume. The fifteenth application received and reviewed represented a total development cost of \$20,591,036 with a request for \$12,500,000 in bond volume, \$529,375 in LIHTC annually for ten years, and a \$500,000 Indiana Housing and Community Development Fund loan.

Allied Real Estate Partners, LLC is proposing the rehabilitation and preservation of 111 affordable units along with the new construction of 50 units for seniors age 62 and older. The project will contain one- and two-bedroom units in one-story, garden-style buildings across six sites in Ellettsville and Steinsville. Property management will work closely with the Bloomington Housing Authority and Area 10 Agency on Aging to provide residents with supportive services. Each site is

located near local amenities including grocery, a post office, a library, restaurants, and retail. A development summary is attached hereto as **Exhibit A**.

During the round, the Real Estate Department staff reviewed the application to ensure it met the criteria set forth in the 2020-2021 Qualified Allocation Plan.

III. Finance

A. 2021 General Fund Operating Budget

Chairperson Golden recognized Mark Pascarella, who presented the 2021 General Fund Operating Budget.

Process:

This year, due to prioritization of resources to focus on processing Cares Act funding, the Accounting department inquired of key areas to obtain updates on budget changes for the 2021 operating budget cycle. Management decided to use the budget amounts from 2020 with designated changes in Information Technology costs. Each budget owner is responsible for

managing revenues and expenses via completion of budget templates, having them reviewed and approved by their designated Executive. Submissions are reviewed for accuracy and for any major variances from year to year. This review entails communicating with the budget owners regarding these variances as well as making any changes needed. Once Accounting has completed its review, all templates are compiled into a master workbook. The budget, attached hereto as **Exhibit B**, is derived from that process.

Upon the completion of month-end, IHCDA produces and distributes monthly budget reporting to all budget owners. Each budget owner is responsible for researching any variances or discrepancies they may find and inquiring of Accounting when needed. In addition, the intent is to conduct quarterly budget meetings with the budget owners to discuss the quarterly results for each department and program. Members present in these meetings include the Executive Director, Chief Financial Officer, Controller and Director of Accounting, Manager of Financial Reporting and Payroll, and the budget owners.

On December 11, 2020, the Budget Committee of the Board reviewed the proposed budget, attached hereto as **Exhibit B**. The budget is being presented this year in December. The Budget Committee is comprised of the following Board members: Mark Pascarella, June Midkiff, and Jodi Golden. The proposed budget for 2021 includes \$9,409,875 in revenue and \$4,000,000 in equity transfers for a total of \$13,409,875 and \$12,486,613 in total expenses, resulting in a net of revenue and equity over expenses of \$923,262. The equity transfers are comprised of the approved program Workforce Housing in the amount of \$3,000,000 (approved up to the \$4,000,000 for the multi-year program for Workforce Housing in 2019) and the approved program Homeownership Innovation Program in the amount of \$1,000,000 (approved up to the \$4,000,000 for the multi-year program in 2018).

Following discussion, a motion was made by Mark Pascarella to approves the proposed 2021 General Fund Operating Budget attached hereto as **Exhibit B**, as recommended by staff. The motion was seconded by G. Michael Schopmeyer. The motion passed unanimously.

RESOLVED, that the Board approves the proposed 2021 General Fund Operating Budget attached hereto as **Exhibit B**, as recommended by staff.

J. June Midkiff asked J. Sipe if he anticipates getting any additional funds out of the legislature nationally if they pass a new bill. J. Sipe responded that there is a bill that IHCDA is following as it relates to a response in addition to the Coronavirus Relief Fund. He mentioned that a portion of that bill is budgeting for rental assistance, and based on some estimates from some groups, it would mean up to an additional \$420 million dollars to the State of Indiana for rental assistance. He mentioned that whether or not that would come to IHCDA or how that would be allocated is not clear yet. He also mentioned that a significant dollar amount for rental assistance is being discussed.

Chairperson Golden thanked the Board members, IHCDA executive staff, and the entire team at IHCDA for their efforts to make the rental assistance program successful.

Respectfully submitted,

There being no further business, a motion was made by Mark Pascarella to adjourn the meeting, which was seconded by J. June Midkiff; the motion passed unanimously, and the meeting was adjourned at 10:27 a.m.
