

ESG-CV Rapid Rehousing, Shelter, Outreach Application

Introduction

The Indiana Housing and Community Development Authority (IHCDA) is accepting applications from current Emergency Solutions Grants (ESG) subrecipients who receive funding for rapid rehousing, shelter operations, and/or street outreach and are experiencing an increased need for services due to the COVID-19 pandemic. Organizations must be a current subrecipient and in good-standing with IHCDA and/or HUD. There will be three opportunities to apply for this funding, allowing subrecipients to submit applications should they determine a need at a later time.
