

## Form A Update—8/4/2020

---

The following items have been updated in Form A:

1. Sources and Uses (p 39): Columns H, I, and J have been merged, in Rows 28 and 29 after posted document discovered to have those line items un-merged.
2. Credit Determination (p 45): Formula for item d. updated to include sources from abovementioned correction after initial error caused formula to break and exclude those line items in the calculation.

Questions about this update can be directed to Peter Nelson, Senior Rental Housing Tax Credit Specialist, via [pnelson@ihcda.in.gov](mailto:pnelson@ihcda.in.gov).
