## **PART 1**

## **SCOPE OF THIS REQUEST**

### **1. PURPOSE OF THIS REQUEST FOR PROPOSALS (“RFP”)**

The Indiana Housing and Community Development Authority (IHCDA) seek to contract with a contractor to provide a Cost Allocation Plan as detailed in the Scope of Services section of this RFP.

### **2. ABOUT THE INDIANA HOUSING AND COMMUNITY DEVELOPMENT AUTHORITY**

#### **MISSION STATEMENT**

The Indiana Housing and Community Development Authority (“IHCDA”) creates housing opportunities, generates and preserves assets, and revitalizes neighborhoods by facilitating the collaboration of multiple stakeholders, investing financial and technical resources in development efforts, and helping build capacity of qualified partners throughout Indiana.

#### **VISION**

At IHCDA, we believe that growing Indiana's economy starts at home. Everyone can agree that all Hoosiers should have the opportunity to live in safe, affordable, good-quality housing in economically stable communities. That's the heart of IHCDA's mission. Our charge is to help communities build upon their assets to create places with ready access to opportunities, goods, and services. We also promote, finance, and support a broad range of housing solutions, from temporary shelters to homeownership.

IHCDA's work is done in partnership with developers, lenders, investors, and nonprofit organizations that use our financing to serve low and moderate-income Hoosiers. We leverage government and private funds to invest in financially sound, well-designed projects that will benefit communities for many years to come. And our investments bear outstanding returns. The activities that we finance help families become more stable, put down roots, and climb the economic ladder. In turn, communities grow and prosper, broadening their tax base, creating new jobs, and maximizing local resources. IHCDA's work is truly a vehicle for economic growth, and it all starts at home.

#### **OVERVIEW (for more information visit <http://www.in.gov/ihcda/>)**

IHCDA was created in 1978 by the Indiana General Assembly and is a quasi-public financially self-sufficient statewide government agency. IHCDA's programs are successful in large part because of the growing network of partnerships IHCDA has established with local, state, and federal governments, for-profit businesses and not-for-profit organizations. For-profit partners include investment banks, mortgage lenders, commercial banks, corporate investment managers and syndicators, apartment developers, investors, homebuilders, and realtors. Not-for-profit partners include community development corporations, community action agencies, and not-for-profit developers.

IHCDA has five funds. These funds include the General Fund, the Program Fund that consists of all of IHCDA's State and Federal programs, the Single Family Fund which has all of IHCDA Single Family bond issues prior to 2009, the Home First Fund which has nearly all of IHCDA's bond issues since 2009, and the MBS Pass-thru fund which houses a couple of pass-thru bond issues of IHCDA.

This project will focus on the allocation of costs within and between the General Fund and the Program Fund. The General Fund is comprised of eleven (11) departments. The Program Fund is comprised of federally-funded grant programs and other specialized programs.

There are nineteen (19) federally-funded grant programs to include the following:

- Community Development Block Grant (CDBG), CDFA 14.228
- Section 8 Housing Assistance Payment Program (PBCA/Quadel), CDFA 14.195
- HOME Investment Partnerships Program (HOME), CDFA 14.239
- Housing Opportunities for Persons with AIDS (HOPWA) program, CDFA 14.241
- Section 8 Housing Choice Voucher program (HCV), CDFA 14.871
- Emergency Shelter Grant program (ESG), CDFA 14.231
- Shelter Plus Care (SPC), CDFA 14.238
- Permanent Supportive Housing for People with Disabilities (PSHPD), CDFA 14.267
- Tax Credit Assistance Program (TCAP), CDFA 14.258
- Supportive Housing Program (HMIS), CDFA 14.235
- Homeless Prevention and Rapid Rehousing Program (HPRP), CDFA 14.257
- Community Services Block Grant (CSBG), CDFA 93.569
- Low Income Housing Energy Assistance Program (LIHEAP), CDFA 93.568

- Indiana Foreclosure Prevention Network, which use both State and Federal funds (IFPN), CDFA 21.
- Rural Rental Housing Loans (RRHL), and CDFA 10.415
- Hardest Hit Fund (HHF), funds that IHCD receives directly from the US Treasury to provide mortgage assistance for unemployed homeowners.

There are eight (8) other specialized programs, some funded with Federal monies and some funded with State monies to include the following:

- Development Fund (DF),
- Home Again,
- Economic Development Account (EDA),
- Neighborhood Assistance Program (NAP),
- Section 1602 Monetization Program,
- Hoosier Energy,
- Making Homes Affordable (MHA) Outreach,
- Section 108 Loan Guarantee Program.

## **ORGANIZATION OF THE ACCOUNTING FUNCTION**

All current accounting records are maintained in IHCDAs principal office with the exception of documents related to the administration of the federally funded Section 8 Housing Assistance Payments Program, which are maintained at IHCDAs contractor location at 10 West Market Street, Indianapolis, IN. The accounting department consists of the Director of Accounting, 3 Accountants, and the Chief Financial Officer to which the department reports.

## **FINANCIAL SYSTEM**

IHCDA accounting uses Microsoft Dynamics 2010 as its financial system. The system provides the flexibility to allocate costs on both fixed and variable bases. Management Reporter 2012 is the report writer that is used for internal and external reporting requirements.

### **3. SCOPE OF SERVICES**

IHCDA has Federal Programs which receive a significant amount of funding through the U.S. Department of Housing and Urban Development (HUD). HUD serves as the oversight body for that funding. IHCDA encounters administrative costs resulting from the administration of such programs. These costs are both direct and indirect in nature. The indirect, or shared costs, may only be charged to these programs under a cost allocation plan prepared in accordance with OMB Circulars A-87 (Cost Principles for State and Local Governments) or A-122 (Cost Principles for Nonprofit Organizations) as applicable.

The selected respondent will be able to show current knowledge and experience with the different allocation requirements of HUD to deliver a cost allocation plan that will meet HUD requirements for approval and provide the implementation phases/steps required for the plan to become fully functional. The goal is to obtain a plan for the implementation of a cost allocation plan that will meet approval while also preserving efficiency / simplicity in its implementation and ongoing maintenance.

The selected respondent will be able to show knowledge and ideas on how IHCDAs can make that goal a reality.

We are requesting that the cost allocation plan be completed by July 30, 2014.

B. will not violate the terms of IC §24-4.7 for the duration of the Contract, even if IC §24-4.7 is preempted by federal law.

Providing false certification may result in the consequences listed in IC §5-22-16.5-14 including termination of this Contract, denial of future state contracts, as well as an imposition of a civil penalty.

## **11. Condition of Payment.**

All services provided by the Contractor under this Contract must be performed to IHCDCA's reasonable satisfaction, as determined at the discretion of the undersigned IHCDCA representative and in accordance with **Exhibit A** and all applicable federal, state, and local laws, rules, ordinances and regulations. IHCDCA shall not be required to pay for work found to be unsatisfactory, inconsistent with this Contract or performed in violation of any federal, state or local statute, ordinance, rule or regulation. As required by I.C. 4-13-2-14.8, payments to the Contractor shall be made via electronic funds transfer in accordance with instructions filed by the Contractor with the Controller of IHCDCA. As a further condition of payment, the Contractor shall complete in full and return to IHCDCA a federal Form W-9 (Request for Taxpayer Identification Number and Certification), the form of which is attached hereto as "**Exhibit C**" and made a part hereof.

## **12. Confidentiality of Information.**

The Contractor understands and agrees that data, materials, and information disclosed to the Contractor may contain confidential and protected information. The Contractor covenants that data, material and information gathered, based upon or disclosed to the Contractor for the purpose of this Contract, will not be disclosed to or discussed with third parties without the prior written consent of IHCDA.

The parties acknowledge that the services to be performed by Contractor for IHCDA under this Contract may require or allow access to data, materials, and information containing Social Security numbers or other personal information maintained by or on behalf of IHCDA in a computer system or other records. In addition to the covenant made above in this section and pursuant to 10 IAC 5-3-1(4), the Contractor and IHCDA agree to comply with the provisions of I.C. 4-1-10 and I.C. 4-1-11. If any Social Security number(s) or personal information (as defined in I.C. 4-1-11-3) is/are disclosed by Contractor, Contractor agrees to pay the cost of the notice of disclosure of a breach of the security of the system in addition to any other claims and expenses for which it is liable under the terms of this Contract.

## **13. Continuity of Services. Intentionally omitted.**

## **14. Debarment and Suspension.**

- A. The Contractor certifies by entering into this Contract that neither it nor its principals nor any of its subcontractors are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Contract by any federal agency or by any department, agency or political subdivision of the State. The term "principal" for purposes of this Contract means an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Contractor.
- B. The Contractor certifies that it has verified the state and federal suspension and debarment status for all subcontractors receiving funds under this Contract and shall be solely responsible for any recoupment, penalties or costs that might arise from use of a suspended or debarred subcontractor. The Contractor shall immediately notify IHCDA if any subcontractor becomes debarred or suspended, and shall, at IHCDA's request, take all steps required by IHCDA to terminate its contractual relationship with the subcontractor for work to be performed under this Contract.

## **15. Default by State.**

If IHCDA, sixty (60) days after receipt of written notice, fails to correct or cure any material breach of this Contract, the Contractor may cancel and terminate this Contract and institute the appropriate measures to collect monies due up to and including the date of termination.

## **16. Disputes.**

- A. Should any disputes arise with respect to this Contract, the Contractor and IHCDA agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
- B. The Contractor agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all its responsibilities under this Contract that are not affected by the dispute. Should the Contractor fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by IHCDA or the Contractor as a result of such failure to proceed shall be borne by the Contractor, and the Contractor shall make no reimbursement claim to IHCDA for such additional costs.
- C. If a party to this Contract is not satisfied with the progress toward resolving a dispute, the party must notify in writing the other party of this dissatisfaction. Upon written notice, the parties have ten (10) working days, unless the parties mutually agree to extend this period, following the notification to resolve the dispute. If the

dispute is not resolved within ten (10) working days, a dissatisfied party will submit the dispute in writing according to the following procedure:

1. The parties agree to resolve such matters through submission in writing of their dispute to the Commissioner of the Indiana Department of Administration. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to the Contractor and IHCD A within ten (10) working days after presentation of such dispute for action. The presentation may include a period of negotiations, clarifications, and mediation sessions and will not terminate until the Commissioner or one of the parties concludes that the presentation period is over. The Commissioner's decision shall be final and conclusive unless either party mails or otherwise furnishes to the Commissioner, within ten (10) working days after receipt of the Commissioner's decision, a written appeal. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. If no reconsideration is provided within ten (10) working days, the parties may mutually agree to submit the dispute to arbitration or mediation for a determination. If a party is not satisfied with the Commissioner's ultimate decision, the dissatisfied party may submit the dispute to an Indiana court of competent jurisdiction.
2. IHCD A may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by IHCD A to the Contractor of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for Contractor to terminate this Contract. The Contractor may not bring suit to collect these amounts without following the dispute procedures contained herein.

#### **17. Drug-Free Workplace Certification.**

The Contractor hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. The Contractor will give written notice to IHCD A within ten (10) days after receiving actual notice that the Contractor or an employee of the Contractor in the State of Indiana has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of this certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Contract and/or debarment of contracting opportunities with IHCD A for up to three (3) years.

In addition to the provisions of the above paragraph, if the total contract amount set forth in this Contract is in excess of \$25,000.00, the Contractor certifies and agrees that it will provide a drug-free workplace by:

- A. Publishing and providing to all of its employees a statement notifying them that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Contractor's workplace, and specifying the actions that will be taken against employees for violations of such prohibition;
- B. Establishing a drug-free awareness program to inform its employees of (1) the dangers of drug abuse in the workplace; (2) the Contractor's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;
- C. Notifying all employees in the statement required by subparagraph (A) above that as a condition of continued employment, the employee will (1) abide by the terms of the statement; and (2) notify the Contractor of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
- D. Notifying IHCD A in writing within ten (10) days after receiving notice from an employee under subdivision (C)(2) above, or otherwise receiving actual notice of such conviction;
- E. Within thirty (30) days after receiving notice under subdivision (C)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) taking appropriate personnel action against the employee, up

to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency; and

- F. Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs (A) through (E) above.

### **18. Employment Eligibility Verification**

The Contractor affirms under the penalties of perjury that he/she/it does not knowingly employ an unauthorized alien.

The Contractor shall not knowingly employ or contract with an unauthorized alien. The Contractor shall not retain an employee or contract with a person that the Contractor subsequently learns is an unauthorized alien.

### **19. Employment Option. Intentionally omitted.**

### **20. Force Majeure.**

In the event that either party is unable to perform any of its obligations under this Contract or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected party (hereinafter referred to as a "Force Majeure Event"), the party who has been so affected shall immediately give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Contract shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Contract.

### **21. Funding Cancellation.**

When the Executive Director of IHCDA or the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of performance of this Contract, this Contract shall be canceled. A determination by the Executive Director or the Director of the State Budget Agency that funds are not available shall be final and conclusive.

### **22. Governing Laws.**

This Contract shall be construed and enforced in accordance with the laws of the State of Indiana, without regard to its conflict of laws rule. Suit, if any, must be brought in courts located in Marion County, Indiana.

### **23. HIPAA Compliance.**

If this Contract involves services, activities or products subject to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Contractor covenants that it will appropriately safeguard Protected Health Information (defined in 45 CFR 160.103), and agrees that it is subject to, and shall comply with, the provisions of 45 CFR 164 Subpart E regarding use and disclosure of Protected Health Information.

### **24. Indemnification.**

The Contractor agrees to indemnify, defend, and hold harmless IHCDA, its agents, officials, and employees from all claims and suits including court costs, attorney's fees, and other expenses arising from or connected with any act or omission of the Contractor and/or its subcontractors, if any, in the performance of this Contract. IHCDA shall **not** provide such indemnification to the Contractor.

### **25. Independent Contractor.**

The Contractor is performing as an independent entity under this Contract. No part of this Contract shall be construed to represent the creation of an employment, agency, partnership or joint venture agreement between the parties. Neither party will assume liability for any injury (including death) to any persons, or damage to any property, arising out of the acts or omissions of the agents, employees or subcontractors of the other party. The Contractor shall provide all necessary unemployment and workers' compensation insurance for the Contractor's employees, and shall provide the IHCDA with a Certificate of Insurance evidencing such coverage prior to starting work under this Contract, upon request.

**26. Information Technology Enterprise Architecture Requirement. Intentionally omitted.**

**27. Insurance.**

The Contractor shall secure and keep in force during the Term of this Contract, the following insurance coverages, covering the Contractor for any and all claims of any nature which may in any manner arise out of or result from Contractor's performance under this Contract:

A. Comprehensive general liability, including contractual coverage, and products or completed operations coverage (if applicable), with minimum liability limits of \$700,000 per occurrence and \$2,000,000 aggregate, unless additional coverage is required by IHCDA. IHCDA is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly under or in connection with this Contract.

**1. Intentionally omitted.**

2. The Contractor shall obtain and provide proof of such insurance coverage by tendering to the undersigned IHCDA representative a certificate of insurance and proof of Workers compensation coverage meeting all statutory requirements of IC 22-3-2. In addition, proof of an "all states endorsement" covering claims occurring outside the State is required if any of the services provided under this Contract involve work outside of Indiana.

B. The Contractor's insurance coverage must meet the following additional requirements:

1. The insurer must have a certificate of authority issued by the Indiana Department of Insurance.
2. Any deductible or self-insured retention amount or other similar obligation under the insurance policies shall be the sole obligation of the Contractor.
3. IHCDA will be defended, indemnified and held harmless to the full extent of any coverage actually secured by the Contractor in excess of the minimum requirements set forth above. The duty to indemnify IHCDA under this Contract shall not be limited by the insurance required in this Contract.
4. The insurance required in this Contract, through a policy or endorsement(s), shall include a provision that the policy and endorsements may not be canceled or modified without thirty (30) days' prior written notice to IHCDA.

C. Failure to provide insurance as required in this Contract may be deemed a material breach of contract entitling IHCDA to immediately terminate this Contract. The Contractor shall furnish a certificate of insurance and all endorsements to IHCDA.

**28. Key Person(s). Intentionally omitted.**

**29. Licensing Standards.**

The Contractor, its employees and subcontractors shall comply with all applicable licensing standards, certification standards, accrediting standards and any other laws, rules or regulations governing services to be

provided by the Contractor pursuant to this Contract. IHCDCA will not pay the Contractor for any services performed when the Contractor, its employees or subcontractors are not in compliance with such applicable standards, laws, rules or regulations. If any license, certification or accreditation expires or is revoked, or any disciplinary action is taken against an applicable license, certification or accreditation, the Contractor shall notify IHCDCA immediately and IHCDCA, at its option, may immediately terminate this Contract.

**30. Merger & Modification.**

This Contract contains the entire understanding between the parties regarding the subject matter hereof and no representations, inducements, promises or oral agreements not embodied herein shall be of any force or effect. This Contract may not be modified, supplemented, or amended, except by written agreement signed by all necessary parties. However, this Contract may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same contract.

**31. Minority and Women’s Business Enterprises Compliance.**

Award of this Contract was based, in part, on the MBE/WBE participation plan. The following certified MBE or WBE subcontractors will be participating in this Contract:

MBE/WBE	PHONE	COMPANY NAME	SCOPE OF PRODUCTS and/or SERVICES	UTILIZATION	DATE	PERCENT
---------	-------	--------------	-----------------------------------	-------------	------	---------

A copy of each subcontractor agreement must be submitted to IDOA’s MBE/WBE Division within thirty (30) days of the effective date of this Contract. Failure to provide a copy of any subcontractor agreement will be deemed a violation of the rules governing MBE/WBE procurement, and may result in sanctions allowable under 25 IAC 5-7-8. Failure to provide any subcontractor agreement may also be considered a material breach of this Contract. The Contractor must obtain approval from IDOA’s MBE/WBE Division before changing the participation plan submitted in connection with this Contract.

The Contractor shall report payments made to MBE/WBE Division subcontractors under this Contract on a monthly basis. Monthly reports shall be made using the online audit tool, commonly referred to as “Pay Audit.” MBE/WBE Division subcontractor payments shall also be reported to the Division as reasonably requested and in a format to be determined by Division.

**32. Nondiscrimination.**

Pursuant to the Indiana Civil Rights Law, specifically including I.C. 22-9-1-10, and in keeping with the purposes of the federal Civil Rights Act of 1964, the Age Discrimination in Employment Act, and the Americans with Disabilities Act, the Contractor covenants that it shall not discriminate against any employee or applicant for employment relating to this Contract with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee’s or applicant’s race, color, national origin, religion, sex, age, disability, ancestry, status as a veteran, or any other characteristic protected by federal, state, or local law (“Protected Characteristics”). Contractor certifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of services. Breach of this paragraph may be regarded as a material breach of this Contract, but nothing in this paragraph shall be construed to imply or establish an employment relationship between IHCDCA and any applicant or employee of the Contractor or any subcontractor.

IHCDCA is a recipient of federal funds, and therefore, where applicable, Contractor and any subcontractors shall comply with requisite affirmative action requirements, including reporting, pursuant to 41 CFR Chapter 60, as amended, and Section 202 of Executive Order 11246.

### **33. Notice to Parties.**

Whenever any notice, statement or other communication is required under this Contract, it shall be sent to the following addresses, unless otherwise specifically advised.

A. Notices to IHCDA shall be sent to:

**Indiana Housing and Community Development Authority  
30 South Meridian Street, Suite 1000  
Indianapolis, Indiana 46204**

With a copy to:

**Mark J. Wuellner, General Counsel  
Indiana Housing and Community Development Authority  
30 South Meridian Street, Suite 1000  
Indianapolis, Indiana 46204**

B. Notices to the Contractor shall be sent to:

### **34. Order of Precedence; Incorporation by Reference.**

Any inconsistency or ambiguity in this Contract shall be resolved by giving precedence in the following order: (1) this Contract, (2) attachments prepared by IHCDA, (3) IHCDA's Request for Proposals for a HUD Approved Cost Allocation Plan, dated \_\_\_\_\_ (the "RFP"), (4) Contractor's Response to the RFP, dated \_\_\_\_\_, and (5) attachments prepared by the Contractor. All attachments, and all documents referred to in this paragraph are hereby incorporated fully by reference.

### **35. Ownership of Documents and Materials.**

All documents, records, programs, data, film, tape, articles, memoranda, and other materials not developed or licensed by the Contractor prior to execution of this Contract, but specifically developed under this Contract shall be considered "work for hire" and the Contractor transfers any ownership claim to IHCDA and all such materials will be the property of IHCDA. Use of these materials, other than related to contract performance by the Contractor, without the prior written consent of IHCDA, is prohibited. During the performance of this Contract, the Contractor shall be responsible for any loss of or damage to these materials developed for or supplied by IHCDA and used to develop or assist in the services provided while the materials are in the possession of the Contractor. Any loss or damage thereto shall be restored at the Contractor's expense. The Contractor shall provide IHCDA full, immediate, and unrestricted access to the work product during the term of this Contract.

### **36. Payments.**

All payments shall be made in arrears in conformance with State fiscal policies and procedures and, as required by I.C. 4-13-2-14.8, by electronic funds transfer to the financial institution designated by the Contractor in writing unless a specific waiver has been obtained from IHCDA Controller. No payments will be made in advance of receipt of the goods or services that are the subject of this Contract except as permitted by I.C. 4-13-2-20.

### **37. Penalties/Interest/Attorney's Fees.**

IHCDA will in good faith perform its required obligations hereunder and does not agree to pay any penalties, liquidated damages, interest or attorney's fees, except as permitted by Indiana law, in part, I.C. 5-17-5, I.C. 34-54-8, and I.C. 34-13-1.

Notwithstanding the provisions contained in I.C. 5-17-5, any liability resulting from IHCDA's failure to make prompt payment shall be based solely on the amount of funding originating from IHCDA and shall not be based on funding from federal or other sources.

**38. Progress Reports.**

The Contractor shall submit progress reports to IHCDA upon request. The report shall be oral, unless IHCDA, upon receipt of the oral report, should deem it necessary to have it in written form. The progress reports shall serve the purpose of assuring IHCDA that work is progressing in line with the proposal or schedule, and that completion can be reasonably assured on the scheduled date.

**39. Public Record.**

The Contractor acknowledges that IHCDA will not treat this Contract as containing confidential information. Use by the public of the information contained in this Contract shall not be considered an act of the IHCDA.

**40. Renewal Option.**

This Contract may be renewed under the same terms and conditions, subject to approval of IHCDA Board of Directors, and in compliance with Ind. Code § 5-22-17-4. The term of the renewed Contract may not be longer than the term of the original Contract.

**41. Severability.**

The invalidity of any section, subsection, clause or provision of this Contract shall not affect the validity of the remaining sections, subsections, clauses or provisions of this Contract.

**42. Substantial Performance.**

This Contract shall be deemed to be substantially performed only when fully performed according to its terms and conditions and any written amendments or supplements.

**43. Taxes.**

IHCDA is exempt from most state and local taxes and many federal taxes. IHCDA will not be responsible for any taxes levied on the Contractor as a result of this Contract.

**44. Termination for Convenience.**

This Contract may be terminated, in whole or in part, by IHCDA whenever, for any reason, IHCDA determines that such termination is in its best interest. Termination of services shall be effected by delivery to the Contractor of a Termination Notice at least thirty (30) days prior to the termination effective date, specifying the extent to which performance of services under such termination may continue. The Contractor shall be compensated for services properly rendered prior to the effective date of termination. IHCDA will not be liable for services performed after the effective date of termination. The Contractor shall be compensated for services herein provided but in no case shall total payment made to the Contractor exceed the original contract price or shall any price increase be allowed on individual line items if canceled only in part prior to the original termination date. For the purposes of this paragraph, the parties stipulate and agree that the Indiana Department of Administration shall be deemed to be a party to this agreement with authority to terminate the same for convenience when such termination is determined by the Commissioner of IDOA to be in the best interests of IHCDA.

**45. Termination for Default.**

- A. With the provision of thirty (30) days' notice to the Contractor, IHCD A may terminate this Contract in whole or in part if the Contractor fails to:
1. Correct or cure any breach of this Contract; the time to correct or cure the breach may be extended beyond thirty (30) days if the IHCD A determines progress is being made and the extension is agreed to by the parties;
  2. Deliver the supplies or perform the services within the time specified in this Contract or any extension;
  3. Make progress so as to endanger performance of this Contract; or
  4. Perform any of the other provisions of this Contract.
- B. If IHCD A terminates this Contract in whole or in part, it may acquire, under the terms and in the manner IHCD A considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to IHCD A for any excess costs for those supplies or services. However, the Contractor shall continue the work not terminated.
- C. IHCD A shall pay the contract price for completed supplies delivered and services accepted. The Contractor and IHCD A shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property. Failure to agree will be a dispute under the Disputes clause. IHCD A may withhold from these amounts any sum IHCD A determines to be necessary to protect IHCD A against loss because of outstanding liens or claims of former lien holders.
- D. The rights and remedies of IHCD A in this clause are in addition to any other rights and remedies provided by law or equity or under this Contract.
- E. This Contract may be suspended and/or terminated immediately if the Contractor has breached, defaulted, or committed fraud under this Contract or another contract between the Contractor and IHCD A. Further, Contractor's breach or default of other agreements or obligations related to this Contract shall constitute a material breach of this Contract.

**46. Travel. Intentionally omitted.**

**47. Indiana Veteran's Business Enterprise Compliance.**

Award of this Contract was based, in part, on the Indiana Veteran's Business Enterprise ("IVBE") participation plan. The following IVBE subcontractors will be participating in this Contract:

MBE/WBE	PHONE	COMPANY NAME	SCOPE OF PRODUCTS and/or SERVICES	UTILIZATION	DATE	PERCENT
---------	-------	--------------	-----------------------------------	-------------	------	---------

---

A copy of each subcontractor agreement shall be submitted to IDOA within thirty (30) days of the request. Failure to provide any subcontractor agreement may also be considered a material breach of this Contract. The Contractor must obtain approval from IDOA before changing the IVBE participation plan submitted in connection with this Contract.

The Contractor shall report payments made to IVBE subcontractors under this Contract on a monthly basis. Monthly reports shall be made using the online audit tool, commonly referred to as "Pay Audit." IVBE subcontractor payments shall also be reported to IDOA as reasonably requested and in a format to be determined by IDOA.

**48. Waiver of Rights.**

No right conferred on either party under this Contract shall be deemed waived, and no breach of this Contract excused, unless such waiver is in writing and signed by the party claimed to have waived such right. Neither IHCDAs review, approval or acceptance of, nor payment for, the services required under this Contract shall be construed to operate as a waiver of any rights under this Contract or of any cause of action arising out of the performance of this Contract, and the Contractor shall be and remain liable to IHCDAs in accordance with applicable law for all damages to IHCDAs caused by the Contractor's negligent performance of any of the services furnished under this Contract.

#### **49. Work Standards.**

The Contractor shall execute its responsibilities by following and applying at all times the highest professional and technical guidelines and standards. If IHCDAs becomes dissatisfied with the work product of or the working relationship with those individuals assigned to work on this Contract, IHCDAs may request in writing the replacement of any or all such individuals, and the Contractor shall grant such request.

#### **50. State Boilerplate Affirmation Clause.**

IHCDAs swears or affirms that it has not altered, modified or changed the States Boilerplate contract clauses (as contained in the 2013 OAG/ IDOA Professional Services Contract Manual) in any way except for the following clauses:

- 11. Condition of Payment.** Added "as required by I.C. 4-13-2-14.8, payments to the Contractor shall be made via electronic funds transfer in accordance with instructions filed by the Contractor with IHCDAs Controller." Added "As a further condition of payment, the Contractor shall complete in full and return to IHCDAs a federal Form W-9 (Request for Taxpayer Identification Number and Certification), the form of which is attached hereto as **Exhibit "C"** and made a part hereof" to comply with requirements of IHCDAs accounting department.
- 12. Confidentiality of Information.** Added "on behalf of IHCDAs in a computer system or" into the first sentence in the second paragraph of this section after the phrase "or other personal information maintained by or".
- 18. Employment Eligibility Verification.** Deleted B and D, since IHCDAs is a public body corporate and politic and the E-Verify requirement does not apply.
- 21. Funding Cancellation.** Reference the Executive Director of IHCDAs along with the Director of the State Budget Agency since some of IHCDAs funding comes from other non-State sources.
- 22. Governing Law.** Inserted "County of Marion" at the end of the last sentence of the section.
- 24. Indemnification.** Substituted "arising from or connected with" for "caused by."
- 25. Independent Contractor.** Inserted "Except as provided in Section 21 above," before the sentence beginning with "Neither party shall assume."
- 27. Insurance.** Changed paragraph A(1) to substitute "Comprehensive" for "Commercial" and "with minimum liability limits of \$700,000 per occurrence and \$2,000,000 aggregate," instead of referencing "per person" and "per occurrence." The reduced coverage amounts are acceptable to IHCDAs, given that the higher limit of \$5,000,000 would require multiple layers of insurance coverage at a cost that is disproportionate to the contract amount.
- 30. Merger & Modification.** Substituted "This Contract contains the entire understanding between the parties regarding the subject matter hereof and no representations, inducements, promises or oral

agreements not embodied herein shall be of any force or effect” for the first two sentences in the State’s boilerplate.

- 36. Payments.** Substituted “IHCDA Controller” for “Indiana Auditor of State,” because IHCDA manages its funds separately from the State.
- 44. Termination for Convenience.** Substituted “may continue” for “becomes effective” in lines 4- 5 of this paragraph.
- 45. Termination for Default.** Added subsection E: This Contract may be suspended and/or terminated immediately if the Contractor has breached, defaulted, or committed fraud under this Contract or another contract between the Contractor and IHCDA. Further, Contractor’s breach or default of other agreements or obligations related to this Contract shall constitute a material breach of this Contract.

**NON-COLLUSION AND ACCEPTANCE**

The undersigned attests, subject to the penalties for perjury, that he/she is the Contractor, or that he/she is the properly authorized representative, agent, member or officer of the Contractor, that he/she has not, nor has any other member, employee, representative, agent or officer of the Contractor, directly or indirectly, to the best of the undersigned's knowledge, entered into or offered to enter into any combination, collusion or agreement to receive or pay, and that he/she has not received or paid, any sum of money or other consideration for the execution of this Contract other than that which appears upon the face of this Contract.

**In Witness Whereof**, Contractor and IHCDCA have, through their duly authorized representatives, entered into this Contract. The parties, having read and understood the foregoing terms of this Contract, do by their respective signatures dated below hereby agree to the terms thereof.
