Re: Request for Proposals – State Housing Study

Notice: PN-20-01

The Indiana Housing and Community Development Authority (IHCDA) is collaborating with a Housing Working Group consisting of multiple stakeholders across the State. The purpose of the Housing Working Group is to gather consistent housing data so it can gain a better understanding of the current state of Indiana's housing stock and its needs going forward. To further this goal, the Housing Working Group has asked IHCDA to issue an RFP to select a firm to perform an evaluation of the housing needs in every county and for the State as a whole. Accordingly, the purpose of this RFP is to procure a contractor to provide a statewide housing study as detailed in the Scope of Services section of this RFP.

The deadline for submission is February 17, 2020 at 5:00 PM Eastern Time. Applications that do not contain all of the required forms/documents as listed in this RFP may be determined ineligible for further consideration.

Responses must be submitted via email. All documents must be submitted in PDF only.
