Re: **Notice of Pubic Hearing – Weatherization Assistance Program State Plan 2020**

Federal regulations related to the Department of Energy (DOE) funding requests require States, such as Indiana, that are applying for Weatherization Assistance Program funding, to prepare a State Plan as part of the application process. Another part of this process is providing the public an opportunity to review and comment on the contents of the State Plan.

IHCDA is holding a public hearing on Thursday, January 23, 2020 to receive comment and testimony regarding the State of Indiana's Weatherization Assistance Program (WAP) State Plan. The hearing will begin at 2:00 p.m. Eastern Time at 30 South Meridian Street, Suite 900, Indianapolis, IN 46204.

Members of the public are welcome to review the State Plan at IHCDA's offices during the business hours of 8:00 am to 5:00 pm January 8th – January 23rd.

The State Plan and supporting documents are available on IHCDA's [Weatherization Page](#) on the website.

Written comments are invited until 5:00 p.m. Eastern Time January 23, 2020. Comments may be submitted electronically to ivx@ihcda.in.gov with the subject line Public Comment; by facsimile to (317) 232-7778; or by postal service to the following address:
