**NOTICE OF FILING
OF
Substantial Amendment to 2019 Action Plan for Housing and Community Development**

Notice is hereby given that the Indiana Office of Community & Rural Affairs (OCRA) plans to amend its 2019 Action Plan for Housing and Community Development to respond to community needs associated with the COVID-19 pandemic.

This document concerns programs that are funded through the U.S. Department of Housing & Urban Development under Title I of the Housing & Community Development Act of 1974 as amended. The amendment establishes spending priorities for approximately \$18 million in community development funds related to the CARES Act.

The amendment affects the Community Development Block Grant (CDBG) Program, which provides community development funding to Indiana's small cities, towns, and counties that do not receive HUD funds directly.

The Office of Community & Rural Affairs will have the 2019 Action Plan available for public inspection online at: <http://www.in.gov/ocra/2369.htm> between May 4 and May 8, 2020.

A public hearing will be held to discuss the draft 2019 Action Plan amendment on May 6, 2020 at 10 a.m. EST. This hearing will be held virtually and can be accessed through:
