Re: **Update to Notice PN 26-28 re: Request for Proposals – Grants Management Software**

Notice: PN-26-41

Please see this memo as an informational update to previously released [IHCD Public Notice 26-28](#).

Due to the flooding and storm damage across Indiana these past few weeks we need to put a delay on IHCD's decision with the RFP for a new grants management system. IHCD has had to reallocate financial and staff resources to assist with this unprecedented demand and as such staff is unavailable to dedicate sufficient time on this process.

At this time, we are adding two weeks to the remaining timeline dates. The new dates are as follows:

- September 8th, 2026 Selected respondents will be notified of the day and time for the required presentation.
- September 14th, 2026 Virtual presentations to Authority must be completed (if applicable).
- September 28th, 2026 Vendor is selected.

IHCD will continue to provide updates to the timeline as the work needed to respond to these disasters transpires.

If there are any questions, please continue to send those to IHCDAGMS@ihcda.in.gov and we will work to get those answered as quickly as possible
