Request for Proposals

Project-Based Vouchers
Housing Choice Vouchers (Section 8) Program
For Permanent Supportive Housing

No further RFP questions will be accepted after July 3, 2014.

Waivers may be requested if the required attachments are unavailable for submission by the due date of July 3, 2014. Requests for waivers must in writing and state the reason(s) why the attachment is unavailable for submission on the due date and the date the attachment(s) will be submitted.

Waiver requests must be included with the submitted application and cannot be submitted separately.

All outstanding attachments must be submitted no later than July 25, 2014.

IHCDA will not request outstanding attachments; it is the responsibility of the applicant to submit the attachments by the date stated on the waiver request or by July 25, 2014, whichever is the earliest date.

Failure to request a waiver for unavailable required attachments and the timely submission of waived documents will automatically disqualify the application.

Applicants should submit at least one hard copy of the application and all attachments and one electronic copy on CD ROM.

Final award selection recommendations will be announced on August 28, 2014.
