
Part III

Administrative, Procedural, and Miscellaneous

22 CFR 601.105: Examination of returns and claims for refund, credit, or abatement; determination of correct tax Liability.

(Also Part I, 42; 1.42-5.)

SECTION 1. PURPOSE

This revenue procedure informs owners of qualified low-income housing projects how to obtain the waiver from the Internal Revenue Service of the annual recertification of tenant income (waiver) provided in 42(g)(8)(B) of the Internal Revenue Code.

SECTION 2. BACKGROUND

Section 1.42-5 of the Income Tax Regulations provides the minimum requirements that a housing credit agency’s (Agency=s) compliance monitoring procedure must contain to satisfy its compliance monitoring duties under 42(m)(1)(B)(iii). Section 1.42-5(b)(1)(vi) provides that an Agency must require an owner to keep records for each qualified low-income building in the project that show for each year in the compliance period the annual income certifications of each low-income tenant per unit. Section 1.42-5(b)(1)(viii) provides
that an Agency must require an owner to keep documents for each qualified low-income building in its project for each year in the compliance period that support each low-income tenant’s income certification. Section 1.42-5(c)(1)(iii) provides that an Agency must require an owner to certify at least annually that, for the preceding 12-month period, the owner has received an annual income certification from each low-income tenant and documentation supporting that certification.

Section 42(g)(8)(B) provides that on application by the taxpayer, the Secretary may waive any annual recertification of tenant income for purposes of ‘42(g) if the entire building is occupied by low-income tenants (a 100 percent low-income building). Low-income tenants are individuals occupying a rent-restricted unit in a qualified low-income housing project whose combined income satisfies the ‘42(g)(1) income limitation elected by the owner if the project.

SECTION 3. SCOPE

This revenue procedure applies to Agencies and owners of qualified low-income housing projects that consist entirely of 100 percent low-income buildings.

SECTION 4. PROCEDURE FOR OBTAINING A WAIVER UNDER ‘42(g)(8)(B)

An owner applying for the waiver for its 100 percent low-income building must (1) complete and sign the applicable portions of the Form 8877, Request for Waiver of Annual Recertification Requirement for the Low-income housing Credit, (2) have the Agency responsible for monitoring the building for compliance with §42 sign the applicable portion of the form, and (3) file the form with the Service pursuant to the instructions accompanying the form. A copy of the 2004 version of Form 8877 is included in the
appendix to this revenue procedure. The Service will notify the owner whether the request for waiver has been approved or denied. See section 5.02 of this revenue procedure for the period the waiver is in effect.

SECTION 5. EFFECT OF OBTAINING A WAIVER UNDER ‘42(g)(8)(B)

.01 If an owner of a 100 percent low-income building obtains a waiver of the annual income recertification from the Service, the owner will be exempt for the recertification requirements of ‘1.42-5(b)(1)(vi) and (vii) and ‘1.42-5(c)(1)(iii). As a result, the owner is not required under those sections to (1) keep records that show an annual income recertification of all the low-income tenants in the building who have previously had their annual income verified, documented, and certified; (2) maintain documentation to support that recertification; or (3) certify to the Agency responsible for monitoring the building for compliance with ‘42 that it has received this information.

.02 The waiver takes effect on the date the Service approves the waiver. Once the waiver takes effect, it remains in effect until the end of the 15-year compliance period (defined in §42(i)(1)), unless the waiver is revoked, in which case the waiver ceases to be in effect on the date of revocation. See sections 5.04 and 5.05 of this revenue procedure regarding revocations.

.03 Obtaining the waiver will not prevent an owner from having to produce documentation to verify the owner’s compliance with ‘42 upon an examination of the owner’s federal income tax return. Thus, for example, the owner must keep records and documentation that show the income of tenants upon initial occupancy of any residential unit in the building. In addition, except as provided in section 5.01 of this revenue
procedure, obtaining the waiver will not prevent and owner from having to satisfy the requirements of the compliance monitoring procedure adopted by the Agency responsible for monitoring the building for compliance with ‘42.

.04 The Service may revoke the waiver if the building ceases to be a 100 percent low-income building or if the Service determines that an owner has violated ‘42 in a manner that is sufficiently serious to warrant revocation. In any case, the Service will revoke the waiver if the Agency requests, in accordance with the instructions to Form 8877, that the Service revoke the waiver.

.05 A waiver will be automatically revoked if there is a change in the ownership for federal tax purposes of the 100 percent low-income building (including a change resulting from a termination of a partnership under ‘708). In this case, the owner that received the waiver must notify the Service of the revocation in accordance with the instructions to Form 8877. The new owner may apply for a waiver.

.06 An Agency’s compliance monitoring procedure will not fail to satisfy ‘42(m)(1)(B)(iii) solely because the 100 percent low-income buildings to which the waiver applies have been exempted from the recertification requirements in ‘1.42-5(b)(1)(vi) and (vii) and ‘1.42-5(c)(1)(iii). Nonetheless, the Agency’s compliance monitoring procedure must continue to require that an owner satisfy the requirements in ‘1.42-5(b)(1)(vi) and (vii) and ‘1.42-5(c)(1)(iii) upon a tenant’s initial occupancy of any residential rental unit in the building.

.07 a 100 percent low-income building to which the waiver applies continues to be subject to the review requirements of ‘1.42-5(c)(2).
SECTION 6. EFFECT ON OTHER DOCUMENTS

Rev. Proc. 94-64, 1994-2 C.B. 797, is superseded. Waivers obtained under Rev. Proc. 94-64 are not affected by this revenue procedure.

SECTION 7. EFFECTIVE DATE

This revenue procedure is effective for applications filed on or after July 6, 2004.
