INDIANA EMERGENCY RENTAL ASSISTANCE (IERA) PROGRAM

The Indiana Emergency Rental Assistance (IERA) program is designed to decrease evictions, increase housing stability, and prevent homelessness by helping renter households whose income has been negatively impacted by the pandemic with rent and utility assistance.

IERA can provide you with up to 18 months of rental assistance. Qualifying applicants may also receive utility and/or home energy assistance, which includes help with paying utilities and home energy (fuel oil, wood, coal, pellets, and propane) expenses.

A renter household should know:

- Hamilton and Marion Counties will be administering their own programs. If you live in these areas, you will need to apply directly to your community's program and not the IERA program:

Location	Website
Hamilton County	HCTAIndiana.com
Marion County	indyrent.org

- Up to 18 months of rent and utility assistance may be provided. This includes past due rent, future rent, reasonable late fees associated with rent and utilities.
- If you already receive federal rental assistance (e.g., you have a Housing Choice Voucher, live in a Project Based Rental Assistance unit, live in Public Housing, etc.), IERA can provide assistance for the tenant portion of the rent.
- IERA will pay the lesser of the rent amount stated in the lease or the published IERA rental limit. Any amount of rent not covered by IERA is your responsibility to pay to the landlord.
