

Courtroom Testimony

Provided by: The Northeast Counterdrug Training Center

Hosted by: The Lawrence Police Department

Co-hosted by: MAGLOCLEN, US Attorney's Office (SDIN), Indiana HIDTA, and Indiana Drug Enforcement Assoc.

This course is designed to improve your skills in testimony, increase your awareness of the court system processes, and help you understand your role in describing the elements of the crime to a judge and jury, in a reasonable manner. The initial investigation, arrest, or traffic citation is only the beginning stage of a long legal process. The instructors in this class will discuss the details involved in the phases of courtroom testimony such as pre-trial exams, civil lawsuit depositions, suppression hearings, expert testimony, and trial court testimony. One of the most important tools often overlooked during the training cycle of law enforcement officers and investigators, is how to win in court when the defense attorney attempts to distract the jury with claims of insufficient evidence, lazy police procedure, or inconsistent witness testimony. The instructors in this course will provide you with the foresight, knowledge, and information recall techniques to improve your next courtroom testimony presentation to win over the judge and/or jury. This course is intended for both patrol level and investigator level personnel.
