

## Removal of Native Americans

### **Indiana Academic Social Studies Standards:**

**4.1.5** Identify and explain the causes of the removal of Native American Indian groups in the state and their resettlement during the 1830s.

**5.3.10** Using historical maps and other geographic representations/texts (written, maps, graphs, timelines, data, audio and video) locate and explain the conflict over the use of land by Native American and the European colonists. • **Examples:** Explain how economic competition for resources, boundary disputes, cultural differences and misperceptions, and control of strategic locations contributed to these conflicts.
