

## INDIANA NATIONAL GUARD ALUMNI ASSOCIATION

### Who can join?

#### Retirees

- Retired after 20+ years of creditable service

#### Alumni

- Served in any capacity\*
- Employed as a state or federal civilian employee

#### Veterans

- Discharged with creditable service\*

\*Other than dishonorable

### Why join?

The Indiana National Guard depends on the dedication and professionalism of its soldiers, airmen, and civilian personnel to accomplish its mission in service to our state and nation. We recognize that a commitment to service does not end when an individual transitions from active status. The values of duty, leadership, and community endure well beyond the uniform.

The Indiana National Guard Alumni Association serves as a centralized point of connection for former members. Through this unified network, alumni gain access to timely information, relevant resources, organizational updates, and opportunities for continued engagement.

By joining the Alumni Association, members remain connected to the Indiana National Guard community, stay informed of important developments, and receive updates on events and initiatives aligned with their interests. This structure ensures that the legacy of service remains active, visible, and supported.

# INDIANA NATIONAL GUARD

Live Here · Work Here · Serve Here

## Dear Fellow Hoosier Guard Alumni,

It is with great pride in our shared heritage of service that we welcome you to our alumni reunion. This gathering is more than a chance to reconnect; it is a celebration of our enduring bond as soldiers and airmen and an opportunity to witness the incredible evolution of the Indiana National Guard.

Our organization is in an era of profound transformation, relentlessly focused on shaping the modern warfighter. We have embraced modernization at every level, from converting our 122nd Fighter Wing to the advanced F-16 platform to opening new facilities in Martinsville and Hamilton County. The Infantry Combat Team of Indiana's 38th Infantry Division is the first infantry brigade to be reorganized as a Mobile Brigade Combat Team through the Army Transformation Initiative. This commitment to progress ensures that today's service members are equipped with the cutting-edge tools they need to maintain a decisive edge in any environment.

Our focus on modernization is matched by an unwavering commitment to readiness, which our Soldiers and Airmen demonstrate daily. In 2025, the 38th Infantry Division played a critical command role in the Middle East during Operation Spartan Shield, and the 113th Engineer Battalion is providing vital support to civil authorities in Washington, D.C.

The foundation of this success is the legacy you helped build. We are dedicated to honoring that lifelong bond through our strengthened Alumni Association program, ensuring you remain a valued part of the Guard family. We are glad you're with us to share your stories, and to see firsthand how your service has paved the way for a more lethal, capable, and ready force.

Sincerely,

Major General Lawrence M. Muennich Indiana's Adjutant General
