## **DO NOT BRING**

☐ Pets (other than fish)
$\square$ Full size refrigerator or other appliances
☐ Expensive jewelry
☐ Clothing you won't wear
☐ Large furniture (until after you move in and determine whether you have space)
□ Portable space heater
☐ Open flame candles (battery operated are acceptable)

## Keep in mind that if you move it in, you will have to move it out!

- Former students found that a dolly/handcart made moving their belongings into/out of the dorm much easier, so feel free to bring one as there may not be one available onsite.
- Unfortunately, staff will not be available to help load/unload belongings.
