647 Gatling Street, Bldg. 634/659, Edinburgh, IN 46124

OCTOBER 2019

INTRODUCTION

Welcome to the Camp Atterbury Training Support Center (TSC)!

We, at the TSC, are proud to provide our customers with this 2018 Training Support Center Catalog in electronic format. Our mission is to provide every supported unit and Soldier within our area of operation with a variety of Training Aids, Devices, Simulators, and Simulations (TADSS) that enable Commanders to accomplish training objectives, standards and successfully operate across an ever evolving full spectrum of conflict. We are confident that the information contained in this catalog will provide you, our valued customers, with the most comprehensive and up-to-date information possible to plan for your future training needs.

Please don't hesitate to contact us for information and expert guidance on all TSC products and services. You can reach us at:

ng.in.inarng.mesg.cajmtc-dptm-tsc@mail.mil

Our operating hours are Monday through Friday, 0730-1600. We are closed on weekends and all federal holidays. We are located on Schoolhouse Rd. in buildings 634 (office) and 659 (warehouse).

The TSC team members are committed to providing you with products and services of the highest quality every time. Your feedback and valuable suggestions are always welcome and help us to achieve this goal. The Camp Atterbury Training Support Center team takes great pride in satisfying our customers training needs.

Your training success is our business!

Area of Support

The Camp Atterbury TSC supports all branches of military service, DOD civilians, Active Duty, National Guard and Reserve units assigned to or training at Camp Atterbury or Muscatatuck Urban Training Center (MUTC).

GRAPHIC TRAINING AIDS

We maintain a large selection of commonly requested graphic training aids (GTA). If we do not have the GTA on-hand that your unit requires, we can order them. Orders normally take two weeks to arrive. We cannot order GTAs that are no longer active. Please contact us in advance to see if we have the GTAs in stock.

No appointment is required to pick up GTAs. Individuals requesting or signing for GTAs do not have to be listed on the signature card (DA Form 1687). This applies to GTAs only.

HAND RECEIPT ACCOUNTS

Units receiving TADSS must have an active account with TSC. Accounts require a DA Form 1687 (Signature Card) and the Commander's Assumption of Command orders. Each unit can have a maximum of three (3) signature cards on file; for a total of 12 personnel authorized to request and/or receive equipment.

REQUEST FORM

In order to request TADSS, units must submit the TSC Request Form to the email address provided. Submitting this form will help speed up the process on the date of issue. All requests must be submitted at least five (5) working days before the requested issue date.

Training Aids, Devices, Simulators, Simulations (TADSS) Overview

- EST II: 25 Lanes Light/Heavy
- HMMWV Egress Assistance Trainer (HEAT): 1 System
- MRAP EGRESS Trainer (MET): 1 System
- Call For Fire Trainer (CFFT 2): 12 Stations
- Virtual Battlefield Space 3 (VBS3): 48 Stations
- MRAP Common Driver Trainer (MCDT): 1 System

PRODUCT LISTING

ON-SITE SIMULATORS

Engagement Skills Trainer II - an indoor, multipurpose, multilane system that supports marksmanship, collective and shoot-don't shoot training using small arms and crew served demilitarized weapons.

	NOMENCLATURE	DEVICE #
	Engagement Skills Trainer II Available Weapon Systems: M16, M4, M9, M1200, M203, M320, M249, M240, M2, MK19, AT4 CERTIFICATION REQUIRED	07-129

High Mobility Multipurpose Wheeled Vehicle (HMMWV) Egress Assistance Trainer (HEAT) - is designed to reduce injuries and fatalities associated with rollover accidents. The trainer exposes the soldier to the disorienting effect of a vehicle rollover and the associated physical effort required to execute a safe escape from an overturned vehicle. The HEAT builds and reinforces crew confidence by physically rehearsing and executing the steps required to survive a vehicle rollover.

	NOMENCLATURE	DEVICE #
	High Mobility Multipurpose Wheeled Vehicle (HMMWV) Egress Assistance Trainer (HEAT) CERTIFICATION REQUIRED	55-62

MRAP Egress Assistance Trainer (MET) - Teaching Soldiers, under controlled training conditions, the proper procedures to egress from an inverted Mine Resistant Ambush Protected (MRAP) will allow them to achieve self-control and overcome the natural fear and panic following the vehicle rollover. It will also reduce casualties and fatalities resulting from such rollovers, even when the vehicle is under attack, underwater, or on fire. **CERTIFICATION REQUIRED**

	NOMENCLATURE	DEVICE #
	MRAP Egress Assistance Trainer (MET) CERTIFICATION REQUIRED	55-66

PRODUCT LISTING

ON-SITE SIMULATORS

Call For Fire Trainer (CFFT) - The Call For Fire Trainer is a lightweight, rapidly deployable, observed fire training system that provides simulated battlefield training for Fire Support Specialist, Joint Fire Observers (JFO), and Soldiers at the institutional and unit level. The system provides simulated battlefield training to Forward Observers in four configurations: 1:12, The system provides simulated battlefield scenarios for training observed fire tasks to all Soldiers regardless of their Military Occupational Specialty (MOS).

	NOMENCLATURE	DEVICE #
	<p>Call For Fire Trainer (CFFT) 1:12 Configuration</p> <p>CERTIFICATION REQUIRED</p>	<p>06-118/2</p>

Virtual Battle Space III - The Virtual Battle Space III provides GEO Specific terrain that allows users to train in an immersive, first-person environment that supports mounted and dismounted operations. The system provides ground and air vehicles, small arms and vehicle-mounted weapons, communications, and interactive opposing forces of the contemporary operational environment, including improvised explosive devices. Soldiers, Leaders and Trainers can use VBS3 to rehearse tactical missions and conduct after action reviews of training sessions using easy-to-use tools integrated in the simulation.

	NOMENCLATURE	DEVICE #
	<p>Virtual Battle Space III</p> <p>INSTRUCTOR PROVIDED</p>	<p>55-62</p>

PRODUCT LISTING

ON-SITE SIMULATORS

MRAP Common Driver Trainer (MCDT) - The MCDT provides initial and sustainment driver training. The device consists of a simulated vehicle cab, instructor/operator station, a visual system, aural/audio system, and After Action Review station. The trainer has a fully integrated six Degree-Of-Freedom motion system. The instructor, via the instructor/operator station, is capable of selecting a visual scene, viewing the visual scene, monitoring each trainee's performance and introducing malfunction and emergency control situations. This provides the capability to create realistic scenario-based training events mirroring the actual conditions under which Soldiers are expected to perform.

	NOMENCLATURE	DEVICE #
	MRAP Common Driver Trainer (MCDT) INSTRUCTOR PROVIDED	17-260/03
