The Camp Atterbury TSC supports all branches of military service, DOD Civilians, Active Duty, National Guard and Reserve units assigned to or training at Camp Atterbury or Muscatatuck Urban Training Center (MUTC).

Graphic Training Aids

We maintain a large selection of commonly requested Graphic Training Aids (GTA). If we do not have the GTA on-hand that your unit requires, we may be able to order it for you if you have the GTA number. Orders normally take two weeks to arrive. We cannot order GTAs that are no longer active. Please contact us in advance to see if we have the GTAs in stock.

No appointment is required to pick up GTAs and you do not have to have an account or be on a signature card (DA Form 1687) to get GTAs from our warehouse. This applies to GTAs only.

Hand Receipt Accounts

In order to receive supplies from the TSC Warehouse or sign for virtual TADSS like the EST, CFFT or VCOT, units must have an active account. A DA Form 1687 (Signature Card) and a copy of the Commander's Assumption of Command orders are required to establish an account.

Request Form

A copy of the Camp Atterbury TSC Request Form can be found at the end of this catalog. This form can be submitted by emailing it to the e-mail address on the top of the form or by dropping it by the TSC.

Virtual TADSS Operator Courses

The Camp Atterbury TSC offers courses throughout the year for soldiers to become operator qualified on the EST, VCOT or the CFFT. The length of the course varies by device and the certification is excepted anywhere in the country. Please contact the TSC for a list of the scheduled courses or to reserve a slot.
