

Donna Poole began her career with the State of Indiana in September 1997 with the Department of Corrections. In January 2007 she moved to the Indiana Department of Transportation, hiring directly into the Economic Opportunity Division as the Administrative Assistant. By August 2007 she had moved into the Contract Compliance role. Working in Compliance, she has handled many functions, including: contract compliance reviews, both desk and on-site, training staff in determining contract compliance and appropriate enforcement measures, DBE goal setting on INDOT contracts with federal funding, creation and implementation of current methods for tracking contract goal attainment and good faith efforts compliance. She was also responsible for the administration of DBE commercially useful function collection as well as various reports sent to FHWA.

Donna wanted to seek new challenges and learn a different phase of the INDOT process, so when an estimator position came open in Contracts Administration, she applied and was offered the position. Though still with INDOT, she is in a new area and will be greatly missed. Should you have previously contacted Donna, for the time being, please contact her supervisor Kent Borggren [Kborggren@indot.in.gov](mailto:Kborggren@indot.in.gov). or 317-518-9288. We wish her well in her new endeavors.
