

If you feel a business plan, marketing plan, website development, or a capability statement could assist your business, we can help. This portion of our program is run from a federal allocation, so the funds are limited and will be apportioned on a first-come, first-serve basis. If you are interested in any of these items, please contact our contracted Supportive Services provider:

CEI – DBE Supportive Services

Email: info@indbesupport.com

Phone: (833) 334-6368

Web: www.indbesupport.com

If you are looking for potential contracting opportunities, there are video and PowerPoint presentations for both consultant and contracting opportunities on our website. These PowerPoints and videos contain helpful information to assist in locating the contracts and some of the basic INDOT requirements your company will need to bid the jobs. Please note, they are purely informational and are in no way a guarantee of work. They can be found at:

<https://www.in.gov/indot/2829.htm>

We will also be holding networking sessions, likely web-based, in conjunction with our Major Projects Delivery Division. There are no dates set as of yet, but stay tuned for details.

If you have questions, please contact:
