

I. Expected Deliverables

Final SR 66 (Diamond Avenue) Corridor Plan (or official plan name) with, at a minimum, the following:

- Existing Conditions Inventory
- Future conditions/projections
- Recommendations and Cost Estimates
 - Including but not limited to:
 - intersection and corridor alternatives
 - preliminary cost estimates per INDOT procedures
 - conceptual planning-level drawings and/or typical sections for recommended alternatives
 - prioritization of recommendations and improvements
- Funding alternatives or innovative delivery for INDOT, EMPO, or LPA to assist in project funding & delivery
- Public participation and meetings

II. Inquiries

Questions about the proposal may arise as proposers are preparing their responses. Answers will be posted to the MPO website. Origin of the questions will not be identified. Please direct questions to:
