I understand and agree that all subcontracting or leasing in connection with this contract, whether undertaken prior to or subsequent to award of contract, will be in accordance with the requirements for the Disadvantaged Business Enterprise (DBE) Program. The applicable requirements are included in the Standard Specifications, Recurring Special Provisions and the Unique Special Provisions in the Contract Information Book for this contract. I understand and agree that no subcontracting will be approved or commenced until the Department has reviewed and approved the affirmative actions taken by my company or me.

I understand that utilization of certified DBEs is in addition to all other equal employment opportunity requirements of this contract.

I acknowledge that this certification is to be made an integral part of this contract.

I understand and agree that the submission of a blank certification shall cause my bid to be rejected.

CLAUSE AND THE FILING OF REQUIRED REPORTS

The bidder hereby certifies that it HAS participated in a previous contract or subcontract subject to the Equal Opportunity clause, as required by Executive Orders 10925, 11114, or 11246, and that it HAS filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance, a Federal Government contracting or Administering agency, or the former President's Committee on Equal Employment Opportunity, all reports due under the applicable filing requirements.

The above certification is required by the Equal Employment Opportunity Regulations to the Secretary of Labor (41 CFR 601.7(b)(1)). This certification shall be submitted by bidders and proposed subcontractors only in connection with contracts and subcontracts which are subject to the equal opportunity clause. Contracts and subcontracts which are exempt from the equal opportunity clause are set forth in 41 CFR 601.5. Generally only contracts or subcontracts of \$10,000 or under are exempt.

Currently, Standard Form 100 (EEO-1) is the only report required by the Executive Orders or their implementing regulations.

Pursuant to 41 CFR 601.7(b)(1), proposed contractors and subcontractors who have participated in a previous contract or subcontract subject to the Executive Orders listed above and have not filed the required reports, shall not be awarded contracts and subcontracts unless such contractor or subcontractor submits a report covering the delinquent period or such other period specified by the Federal Highway Administration or by the Director's Office of Federal Contract Compliance. U.S. Department of Labor.

DRUG FREE WORKPLACE CERTIFICATION

Pursuant to Executive Order No. 90-5, April 12, 1990, issued by Governor Evan Bayh, the Indiana Department of Administration requires the inclusion of this certification in all contracts with and grants from the State in excess of \$25,000. No award of a contract or grant shall be made, and no contract, purchase order or agreement, the total amount of which exceeds \$25,000, shall be valid unless and until this certification has been fully executed by the Contractor or Grantee and attached to the contract or agreement as part of the contract documents. False certification or violation of the certification may result in sanctions including, but not limited to, suspension of contract payments, termination of the contract or agreement and or debarment of contracting opportunities with the State for up to 3 years.

The Contractor or Grantee certifies and agrees that it will provide a drug free workplace by the means as follows:

(a) Publishing and providing to all its employees a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition.

(b) Establishing a drug free awareness program to inform employees about (1) the dangers of drug abuse in the workplace; (2) the Contractor's policy of maintaining a drug free workplace; (3) available drug counseling, rehabilitation, and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace.

(c) Notifying all employees in the statement required by (a) above that as a condition of continued employment the employee will (1) abide by the terms of the statement; and (2) notify the employer of criminal drug statute conviction for a violation occurring in the workplace no later than 5 days after such conviction.

(d) Notifying in writing to the contracting State agency and the Indiana Department of Administration within 10 days after receiving notice from an employee under (c) (2) above, or otherwise receiving actual notice of such conviction.

(e) Within 30 days after receiving notice under (c) (2) above of a conviction, imposing the following sanctions or remedial measures on an employee who is convicted of drug abuse violations occurring in the workplace by (1) taking appropriate personnel action against the employee, up to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

(f) Making a good faith effort to maintain a drug free workplace through the implementation of (a) through (e) above.

I do hereby certify that it is the intention of my company to affirmatively seek out and consider certified DBEs to participate in this contract as subcontractors, lessors, or suppliers of materials or services.

I understand and agree that all subcontracting or leasing in connection with this contract, whether undertaken prior to or subsequent to award of contract, will be in accordance with the requirements for the Disadvantaged Business Enterprise (DBE) Program. The applicable requirements are included in the Standard Specifications, Recurring Special Provisions and the Unique Special Provisions in the Contract Information Book for this contract. I understand and agree that no subcontracting will be approved or commenced until the Department has reviewed and approved the affirmative actions taken by my company or me.

I understand that utilization of certified DBEs is in addition to all other equal employment opportunity requirements of this contract.

I acknowledge that this certification is to be made an integral part of this contract.

I understand and agree that the submission of a blank certification shall cause my bid to be rejected.

INDIANA DEPARTMENT OF TRANSPORTATION
DBE AFFIRMATIVE ACTION CERTIFICATION

I do hereby certify that it is the intention of my company to affirmatively seek out and consider certified DBEs to participate in this contract as subcontractors, lessors, or suppliers of materials or services.

I understand and agree that all subcontracting or leasing in connection with this contract, whether undertaken prior to or subsequent to award of contract, will be in accordance with the requirements for the Disadvantaged Business Enterprise (DBE) Program. The applicable requirements are included in the Standard Specifications, Recurring Special Provisions and the Unique Special Provisions in the Contract Information Book for this contract. I understand and agree that no subcontracting will be approved or commenced until the Department has reviewed and approved the affirmative actions taken by my company or me.

I understand that utilization of certified DBEs is in addition to all other equal employment opportunity requirements of this contract.

I acknowledge that this certification is to be made an integral part of this contract.

I understand and agree that the submission of a blank certification shall cause my bid to be rejected.

I hereby certify that contact has been made with the firms listed in this certification, and that I have confirmed that these firms are certified by the State of Indiana or the Kentucky Transportation Cabinet as DBEs. (For a listing of DBE certified firms, refer to the DBE Public Search Directory found on the INDOT website or on the Kentucky Transportation Cabinet's DBE directory.)

If my company becomes the Contractor, the certified DBEs listed have tentatively agreed to perform the corresponding services as part of this contract's DBE goal ("race/gender conscious" DBE participation). If a portion of a line item is used to satisfy the goal, the full dollar amount of the item will be considered as race conscious.

I have also listed the certified DBEs that have tentatively agreed to perform the corresponding services listed beyond what is necessary to meet the contract's DBE goal ("race/gender neutral" DBE participation). I understand that neither my company nor I will be penalized for failure to achieve the dollar amounts listed beyond the contract goal.

After contract award, any change to the firms listed as DBE SUBCONTRACTORS AND LESSORS TO BE APPLIED TOWARD GOAL or DBE MATERIAL SUPPLIERS TO BE APPLIED

TOWARD GOAL in this Affirmative Action Certification must have prior approval by INDOT's Economic Opportunity Section, Central Office.

Please Note: Credit for utilization of a DBE material supplier depends on whether the supplier is a manufacturer, regular dealer or broker. The following credit will be counted toward the goal: Supplier Manufacturer receives 100% credit, Supplier Regular Dealer receives 60% credit, and Supplier Broker receives fees and commissions only.
