

Mid-States Corridor construction RFP schedule update

Thank you for your interest in the Mid-States Corridor project.

Following Industry Day and instructive conversations with industry partners, INDOT is taking additional time to evaluate Contract 1 and confirm the most effective strategy to accelerate progress while maintaining flexibility during construction. **As a result, the construction RFP will not be released today as previously anticipated.**

Additional information will be shared as soon as it is available.

Thank you for your continued engagement and interest in this important project. The Mid-States Corridor is a vital investment in Indiana's transportation network that will improve regional connectivity, enhance safety, and support economic development opportunities in Southern Indiana.

Questions can be submitted via email at midstatesprocurement@hntb.com.

About the Indiana Department of Transportation

INDOT is responsible for planning, constructing, maintaining, and operating the State of Indiana's more than 29,000 highway lane miles and 5,700 bridges, and providing support for 4,500 rail miles and 127 aviation facilities throughout the Hoosier State. With six district offices and over 3,500 employees, INDOT works to ensure safe, efficient, and reliable transportation infrastructure while supporting the state's economic vitality. The department is committed to fostering innovation, sustainability, and safety in transportation planning and development, in addition to collaborating with local governments and private sector partners to meet the state's transportation needs. For the eighth consecutive year, Indiana has placed in the top ten in the nation for infrastructure in CNBC's "America's Top States for Business" rankings. Learn more at in.gov/indot.

About Buckle Up Phone Down

Buckle Up Phone Down is a safety initiative adopted by the Indiana Department of Transportation in late 2023. Unrestrained motorists and passengers, as well as distracted driving continue to be contributing factors in fatal and serious injury crashes on Indiana roadways. Buckle Up Phone Down is one of many efforts to change driver behavior and improve roadway safety across Indiana.

The actions are simple: when you get into a vehicle, buckle up. If you are the driver, put the phone down. Every trip. Every time. Learn more and accept the challenge at BUPDIN.com.
