Good afternoon!

Please see the attached guidance document from INDOT Communications about public involvement. The guidance speaks to several items including PI during emergency situations, virtual PI as a supplement (not substitute) to traditional PI, website document posting, the public hearing offering, ADA and LEP statements in public notices. In addition to this guidance being issued to the PMs, consultant services and the consultant community, it will also be included in the next version of the INDOT Public Involvement Procedures (PIP) document (to be taken out for public review/comment) later this year.

Please contact Rickie Clark, INDOT Office of Public Involvement (rclark@indot.in.gov or 317-232-6601) should you have questions or concerns.

Thank you!
