

Benchmark Reconnaissance Instructions

We would ask for your help in assisting us in improving the Indiana Department of Transportation's Benchmark Network by completing the Benchmark Reconnaissance Form and returning it to our office with photographs per the Photographic Instructions document to benchmarklocator@indot.in.gov for inclusion in our website for every State Highway Commission of Indiana (ISHC), Indiana Department of Highways (IDOH) or Indiana Department of Transportation (INDOT) benchmark disk you find. Your cooperation, along with others, will help greatly in aiding INDOT in providing an overall better product to everyone who uses this network.

Thank you
