TO: Indiana Department of Transportation

Dear Sir or Ma'am:

The League of Women Voters of Brown County would like to express its strong support for your approval of the proposed Hoosier Hills Scenic Byway.

The League of Women Voters chapter here has for several years promoted a Wellness and Heritage Tourism Initiative for Brown County, aimed at linking our varied assets to encourage visitors to explore what we have more widely and deeply. We see the Hoosier Hills Scenic Byway as a perfect project to support our longtime goals. The proposed route through Brown County's natural beauty will highlight our historic and cultural significance in the State, and offer a new and exciting means of accessing our many sites.

We hope very much that you will approve the application submitted by the Hoosier Hills Scenic Byway Committee.

Regards,

A handwritten signature in black ink, appearing to read "Julie Winn", is written over a horizontal line.
