

THE INDIANA-KENTUCKY
DBE EXCHANGE

Indiana Department of Transportation

- I. HISTORY
 - II. DBE EXCHANGE
 - III. ROAD WORK AHEAD
 - IV. CLOSING REMARKS
-

History

OHIO RIVER BRIDGES PROJECT

- The first DBE Reciprocity agreement between KY and IN was for the Milton/Madison Bridge. It was a \$104 million A + B contract constructed in 2011-2012.
- Kennedy Interchange, JFK Memorial Bridge, Lewis and Clark Bridge, I-65 on ramp
- Approximately \$2 billion project
- Reciprocity Agreement in place for the project
- Exceeded the DBE Goal
- Receiving Consideration to be National Model

DBE EXCHANGE

DBEs

- If certified in either state-work in either state
- July 1, 2018 to June 30, 2019
- Remain on your home state directory
- If certified in both states maintain your certification
- Must be prequalified if it's required
- Prequalification is not required for suppliers and haulers

Primes

- Utilize DBEs on both directories
- DBE Exchange can be utilized on all projects let between July 1, 2018 to June 30, 2019
- Hopeful to extend duration of the agreement

Third-Party Partners

- Partake in the DBE Exchange

Road Work Ahead

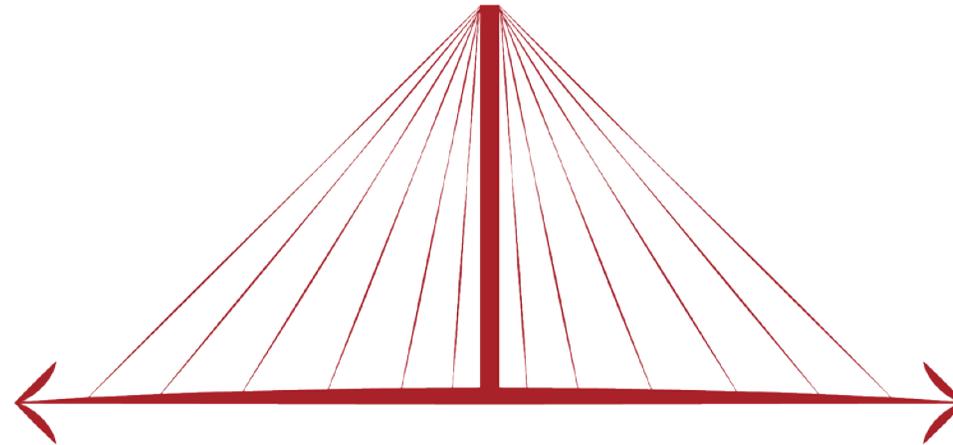

Professional Service & Highway Construction

Kenneth Woodruff

FHWA INDOT

THE INDIANA-KENTUCKY

DBE EXCHANGE

What is FHWA's Role?

These division offices provide front line Federal-aid program delivery assistance to partners and customers in highway transportation and safety services, including but not limited to, planning and research, preliminary engineering, technology transfer, right-of-way, bridge, highway safety, traffic operations, environment, civil rights, design construction and maintenance, engineering coordination, highway beautification, and administration.

My Challenge for you today!

1. Network—Meet some one new today.
2. Ask your self, “What does success looks like to you”?
3. Let us know how we can help you.
