Today's Project Overview

**Lloyd
Expressway
to Diamond
Avenue**

**OHIO RIVER
CROSSING**

**Section 3:
Indiana
Approach**

Project Information

- Data is informational
- Quantities are estimates
- Projects are programmed and funded
- Some projects have websites and social media channels

Contract Delivery Methods

Design-Build Low Bid

- Advertised ~8 weeks prior to letting
- Preliminary Design available
- Final Design Completed by Contractor
- Low Bidder (if awardable)
- Professional Services Subcontractors may be established prior to bid
- Construction Subcontractors will be established as design is finalized

Design-Bid-Build (Standard Letting)

- Advertised 4-6 weeks prior to letting
- Design Complete and available
 - Tracings and Contract Documents
- Subcontractors established prior to bid
- Low Bidder (if awardable)

Prequalification

Prequalification required before a contractor or consultant can:

- Bid on INDOT work or respond to Department RFPs
- Subcontract to provide consultant services for an INDOT project
- Subcontract to complete more than \$300,000 in work for an INDOT contract

See INDOT prequalification table after presentation or visit:

<https://www.in.gov/indot/doing-business-with-indot/prequalification>

Disadvantaged Business Enterprise (DBE)

- **Directory:** THE source for knowing if a company is certified and what they are certified for.
 - Can be updated daily. Exception: It is locked the Friday before the letting.
 - Do not use an archived copy – access through the INDOT website.
- **Referrals:** If you know of a business you think may qualify as a DBE, please refer them to us.
- **DBE Exchange:** Indiana currently shares DBEs with Kentucky.
 - This applies ONLY to DBE certification.
- **Questions:** Email ELSIInquiry@indot.in.gov.
 - Local Contact: Carla Irvin, Vincennes District Contract Compliance Officer, cirvin@indot.in.gov

18-Month Letting List Search

Lettings

September 2022 through March 2024

Last Update: 15 Sep 2022

NOTE: This page is for informational planning purposes only. These listings are subjected to change without notice. Any number of factors out of INDOT's control may require moving a project's date for letting. These would include, but not be limited to, issues of right-of-way acquisition, permits or funding.
