News Release

FOR IMMEDIATE RELEASE

August 18, 2015

S.R. 1/Bluffton Road Ramps to I-469 Scheduled to Be Resurfaced on Thursday, August 20

Additional resurface work planned on I-469 between U.S. 30 and S.R. 37

ALLEN COUNTY – The Indiana Department of Transportation announces the start of a combination project on Interstate 469. Work will begin Thursday, Aug. 20, weather permitting, with the resurfacing of the S.R. 1/Bluffton Road ramps to I-469.

Daytime work will occur on the S.R. 1 ramps to I-469. Each ramp will be reduced to one 12-foot lane while crews resurface one lane at a time.

Additional bridge approach resurface work will take place on I-469 bridges over U.S. 30, over Dawkins Road, over the Norfolk Southern railroad tracks, and over the Maumee River, beginning in late August. At that time, I-469, between U.S. 30 and S.R. 37, will be reduced to one 12-foot lane in each direction to facilitate the work.

The combined project was awarded to Brooks Construction Company for \$225,000 and is expected to be completed by late September.
