

NOTICE OF PUBLIC MEETING

American Structurepoint, Inc., acting on behalf of the Indiana Department of Transportation (INDOT) and in partnership with SEH, Inc., will convene a public information meeting for the State Road (SR) 37 and 186th Street Intersection Improvement Project on **Tuesday, September 8 2020, in three sessions at 5:30-6:10 p.m., 6:15-6:55 p.m., and 7:00-7:40 p.m. at the Green Room, Federal Hill Commons Park, 175 Logan Street, Noblesville, IN 46060.** The purpose of the public information meeting is to offer all interested persons an opportunity to review and comment on the project. The purpose of this project is to improve the safety of the SR 37 and 186th Street intersection, as well as the efficiency of the intersection. The need for the project is evidenced by frequency of vehicle collisions and the existing level of service (LOS) F for both 186th Street approaches.

Out of an abundance of caution and in keeping with the Governor's Roadmap to Safely Reopen Indiana, each session of the meeting will take place in an open house format with 40 minute sign up periods. To sign up, please place your name and contact information in a timeslot on this webpage: <https://signup.com/go/dCCmaFX> or call Sarah Everhart at (317) 547-5580 by September 4, 2020.

This format will allow the project development team to ensure 6 foot social distancing is followed. Representatives from the project team will be spaced appropriately around the room at individual tables and exhibits will be provided at safe spacing and in duplicate. A brief presentation will be made available for viewing to all who attend. All sessions will provide the same information.

Additionally, a Virtual Open House is available to view the meeting presentation, exhibits, and provide comments on the proposed project. The Virtual Open House can be accessed at this webpage: www.SR37and186thStreet.com.

With advance notice, INDOT can provide special accommodation for persons with differing abilities, limited English speaking ability, and/or persons needing auxiliary aids or services such as interpreters, signers, readers, or large print. Should special accommodation be needed please contact Sarah Everhart, Environmental Specialist, American Structurepoint, Inc., at (317) 547-5580, or email severhart@structurepoint.com by September 3, 2020.

For any questions or comments, please contact Sarah Everhart, American Structurepoint, Inc., at (317) 547-5580, or email severhart@structurepoint.com.
