Dear Ms. Sosa:

The Indiana Department of Transportation requests the projects listed in STIP Amendment 18-07 to be incorporated into the 2018-2021 Statewide Transportation Improvement Program (STIP).

Included in the final submitted in this document is a listing of the state's expansion/preservation, local small urban and rural and rural transit projects. The following Metropolitan Planning Organization TIP's will be included in the FY 2018-2021 STIP by reference, pending FHWA.

Kentuckiana Regional Planning and Development Agency (KIPDA)

FY 2018-2021

The KIPDA Transportation Policy Committee adopted the FY 2018 – FY 2021 Transportation Improvement Program on July 27, 2017. This TIP was developed in coordination with KYTC, INDOT, TARC and local planning agencies. The TIP found in the following link for your review and approval, and for inclusion in the STIP. [http://www.kipda.org/files/PDF/Transportation\\_Division/TIP/FY18-FY21/FY\\_2018\\_-\\_FY\\_2021\\_TIP\\_Text\\_-\\_Final\\_8-7-17.pdf](http://www.kipda.org/files/PDF/Transportation_Division/TIP/FY18-FY21/FY_2018_-_FY_2021_TIP_Text_-_Final_8-7-17.pdf)

We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects; and 3) conform to state and national air quality standards.

We request your review and approval of the subject amendment. Should you have any questions pertaining to this amendment, please contact Michael McNeil, STIP Specialist at (317) 232-0223 or at [mmcneil@indot.in.gov](mailto:mmcneil@indot.in.gov).

However, projects not shown by reference will be amended into the STIP upon request.

Sincerely,
