Dear Ms. Sosa:

The Indiana Department of Transportation requests the projects listed in STIP Amendment 18-16 to be incorporated into the 2018-2021 Statewide Transportation Improvement Program (STIP).

Included in the final submitted in this document is a listing of the state's expansion/preservation, local small urban and rural and rural transit projects. The following Metropolitan Planning Organization TIP's will be included in the FY 2018-2021 STIP by reference, pending FHWA.

Madison County Council of Government (MCCOG)

FY 2018-2021

The Madison County Council of Governments Metropolitan Planning Organization for the Anderson/Madison County Urbanized Area adopted the FY 2018 – FY 2021 Transportation Improvement Program on February 1, 2018. This TIP was developed in coordination with MCCOG, INDOT, and local planning agencies.

We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects; and 3) conform to state and national air quality standards.

We request your review and approval of the subject amendment. Should you have any questions pertaining to this amendment, please contact Michael McNeil, STIP Specialist at (317) 232-0223 or at mmcneil@indot.in.gov.

Sincerely,

RE: TIP Approval – 2018-2021 – Resolution 2-18 - dated 2/01/2018

Dear Mr. Bridges:

The Indiana Department of Transportation (INDOT) has completed its review of the FY 2018-2021 Transportation Improvement Program for the Madison County Council of Governments (MCCOG MPO). State and locally initiated transportation projects were reviewed for accuracy and compliance under the Fixing America's Surface Transportation (FAST) Act.

It is my pleasure to inform you that on behalf of Governor Eric Holcomb, I approve your FY 2018-2021 Transportation Improvement Program. This document will serve as support for the local and INDOT projects in your area that fall within the FY 2018-2021 timeline and will be included by reference in the FY 2018-2021 Indiana Statewide Improvement Program (STIP). However, projects not shown by reference will be amended into the STIP upon request.

If you should have any questions, please feel free to contact Roy Nunnally at 317-234-1692.

Sincerely,

Joe McGuinness, Commissioner
