Re: FY2024-2028 Indiana STIP Amendment 24-FTA-10, dated February 6, 2025

Dear Mr. Nunnally:

We have reviewed the State Transportation Improvement Program (STIP) amendment request you submitted via correspondence dated August 26, 2024. This request adds projects pursuant to changes made to the State Transportation Improvement Program (STIP) for the:

- Anderson - Madison County Council of Governments (MCCOG)
- Lafayette - Area of Tippecanoe County Area Plan Commission (ATCAPC)
- South Bend - Michiana Area Council of Governments (MACOG)

We have determined that the amendment to the STIP is financially constrained and consistent with the relevant statewide transportation plans. The projects were developed in accordance with the requirements of 23 CFR 450 and are exempt from the air quality conformity determination process. The project additions are approved for the FY2024-2028 STIP.

If you have any questions concerning this STIP amendment approval, please contact me at (312) 353-1646.

Sincerely,

Anthony W Greep  
Director, Planning & Program Development
