Re: FY2024-2028 Indiana STIP Amendment 24-FTA-13, dated June 23, 2025

Dear Mr. Nunnally:

We have reviewed the State Transportation Improvement Program (STIP) amendment request you submitted via correspondence dated June 23, 2025. This request adds projects pursuant to changes made to the State Transportation Improvement Program (STIP) for the:

- Fort Wayne - Northeastern Indiana Regional Coordinating Council (NIRCC)

We have determined that the amendment to the STIP is financially constrained and consistent with the relevant statewide transportation plans. The projects were developed in accordance with the requirements of 23 CFR 450 and are exempt from the air quality conformity determination process. The project additions are approved for the FY2024-2028 STIP.

If you have any questions concerning this STIP amendment approval, please contact Cecilia Crenshaw at (312) 705-1268.

Sincerely,

ANTHONY
