OFFICE OF PUBLIC INVOLVEMENT STANDARD OPERATING PROCEDURES

The Office of Public Involvement (OPI) within the Division of Communications promotes proactive public involvement activities and related services for INDOT projects, ensuring compliance with federal and state regulations/laws/statutes pertaining to public involvement in project selection, planning, development and delivery phases.

The Americans with Disabilities Act (ADA) (http://www.usdoj.gov/crt/ada) requires that individuals with disabilities be provided equal opportunity to participate in or benefit from public services, programs, and activities.

The Americans with Disabilities Act of 1990 (ADA)

Title II of the ADA applies to all public entities. It requires INDOT to remove architectural and programmatic barriers that exclude qualified individuals with a disability. The ADA also requires INDOT, upon request, to make reasonable modifications to its policies and programs to ensure that qualified individuals with disabilities have an equal opportunity to enjoy its programs and activities. INDOT is not required to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Title VI of the Civil Rights Act of 1964

INDOT values each individual’s civil rights and wishes to provide equal opportunity and equitable service for the citizens of this state. As a recipient of federal funds, INDOT is required to conform to Title VI of the Civil Rights Act of 1964 (Title VI) and all related statutes, regulations, and directives, which provide that no person shall be excluded from participation in, denied benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from the U.S. Department of Transportation (DOT) on the grounds of race, color or national origin.

One of INDOT’s program goals in implementing and adhering to its Title VI obligations is to improve the accessibility of its programs and activities to eligible Limited English Proficiency (LEP) persons, e.g. those persons who have a limited ability to read, write, speak or understand English. INDOT continues to strive to improve its data collection efforts to better track the actual number of LEP individuals encountered in the delivery of services so that INDOT may continue to evaluate the effectiveness of its LEP Implementation Plan.

INDOT has developed formal procedures in which services may be provided to include, engage and support stakeholders with disabilities as well as persons of Limited English Proficiency (LEP) during the transportation decision-making process.

ADDITIONAL INFORMATION:

What is a QPA?

Quantity Purchase Agreements (QPAs) are contracts between the state and vendors in which commodities are supplied to Indiana state agencies on an on-going, as-needed basis. QPAs benefit the state by enabling the state to aggregate its purchases to achieve bulk pricing. QPAs are awarded via the competitive bid process.

Bosma Industries for the Blind, Inc. – Braille services including transcribing from word, text documents (RFT or TXT), Excel, PowerPoint and/or hard copies https://www.bosma.org/. Services provided at cost to INDOT.

Indiana Family and Social Services / Deaf and Hard of Hearings Services (DHHS) - provides hearing impaired services including sign language interpretation, Communication Access Real Time (CART), and Video Remote Interpreting (VRI) services, 302 West Washington Street, Indianapolis, IN 46204
https://www.in.gov/fssa/2328.htm

FSSA, Deaf and Hard of Hearing Services (DHHS)
The DHHS procedures must be followed in order to determine if the agency may use the program. If accepted the services will be provided at no cost to the agency. If DHHS approves funding, the agency and DHHS will coordinate Interpreting, Video Remote Interpreting, or Computer Access Real-time Transcriptions available both live and remote, so State Agencies may provide services to individuals who are Deaf or Hard of Hearing https://www.in.gov/fssa/ddrs/2638.htm.
