RE: FY2012 - FY2015 Indiana State Transportation Improvement Program (STIP) administrative modification #9

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP administrative modification **from the Northeastern Indiana Regional Coordinating Council (Fort Wayne MPO)**. The Administrative Modification was requested on April 17, 2012. We concur with this administrative modification and it will be reflected by reference in the 2012-2015 STIP.

The modification is to increase the federal funds for the capitalization of maintenance (DES #1172563) in the amount of \$268,873. The increase in federal funds is required because Citilink received notice that they are eligible to use Fuel as a capitalize maintenance expense.

We have determined that the administrative **modification** is: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Larry Buckel".
