

INDIANA DEPARTMENT OF TRANSPORTATION

Travis Underhill
Deputy Commissioner of Districts

Travis Underhill was appointed Deputy Commissioner in February 2017. As Deputy Commissioner of Districts, Travis provides leadership and oversight for INDOT's Local Program, Major Projects, and Innovation.

Travis graduated from Michigan Technological University with a Bachelor of Science degree in Civil Engineering. Upon graduation, he worked in the consulting industry in various roles from Construction Inspector, Design Engineer, Project Manager and Director of Engineering. Before moving to Indiana, Underhill was a partner in a start-up consulting firm for 10 years in Grand Rapids, Mich.

In 2012, Travis became the City Engineer for the City of Franklin, where he oversaw operations for the Planning and Engineering Department and provided support services for the Utility and Street Departments.

Travis and his wife, Jamie, have been married since May 2010 and have three children, Josephine, Thomas and Henry. They reside in Greenwood and enjoy spending time with family and friends.
