

## INDOT Statement Regarding Potential Interchange

---

- *INDOT is developing a strategy to upgrade US 31.*
- *Location of interchanges will be based on:*
  - *Traffic Volume*
  - *Safety*
  - *Access*
  - *Consistency with regional road network*
  - *Cost*
- *Interchanges will be built over time due to fiscal and time constraints.*
- *Immediate operational and safety concerns on US 31 will be addressed with small, cost-effective solutions, in meantime.*
- *Immediate improvements will not impact plan for fully upgraded US 31 corridor.*
