BROWN GYMNASIUM

100 Broadway St.

Thursday, Feb. 18 | 4-7 p.m.

The Project 421 team has identified nine possible alternatives for the half-mile section of U.S. Route 421 through Madison that approaches the Milton-Madison Bridge. At this public open house, residents can review and provide feedback for the nine proposed alternatives.

This is an informal meeting, so there will be no formal presentation.

The purpose of Project 421 is to select a route that best addresses the safety concerns, mobility challenges and economic development needs of Madison.
