Cafeteria - Door # 12  
2424 Zion Road  
Henderson, KY 42420**

**Doors will open at 5:30 p.m.  
Presentations will begin at 6 p.m.**

The Indiana Department of Transportation (INDOT) will hold two public information meetings for the greater Evansville, IN and Henderson, KY, communities to become acquainted with the upcoming \$25 million US 41 bridge and road rehabilitation projects scheduled to begin in spring 2017 and continue through summer 2019. The project includes rehabilitation of seven bridges as well as pavement rehabilitation between the bridge structures. The 3.8 mile project zone will require traffic lane shifts, but will allow two lanes to be open in each direction during construction phases.

A multi-phased construction plan will ease the impact to motorists and communities. Information meetings will allow the opportunity for the public to become familiar with planned construction phases.

INDOT, the Kentucky Transportation Cabinet, the Federal Highway Administration, local and county agencies, and emergency services providers have coordinated construction scheduling to maintain safety and emergency services for motorists, the communities at large, and construction workers.

The purpose of these information meetings is to provide residents with an opportunity to review the project in development, including the current design, maintenance of traffic plans, and construction schedule. In addition, INDOT welcomes the opportunity to engage community members to address questions and comments. Project displays and plans will be available throughout the evenings.

In accordance with the American with Disabilities Act (ADA), should accommodations be needed such as auxiliary aids, services of sign language interpretation, signers, readers or large print, please contact Rickie Clark, INDOT Office of Public Involvement, at 317-232-6601 [rclark@indot.in.gov](mailto:rclark@indot.in.gov).

INDOT looks forward to meeting with community residents. Please share this meeting information with any interested parties. Feel free to attend one or both days, Tuesday, May 24, in Evansville and Wednesday, May 25, in Henderson. Should you have additional questions regarding this meeting, please contact Mary Wright, INDOT Office of Public Involvement at, (317) 234-0796 [mwright@indot.in.gov](mailto:mwright@indot.in.gov) or the INDOT Vincennes District Customer Service Center at (800) 279-5758 [swincommunications@indot.in.gov](mailto:swincommunications@indot.in.gov).
