**12-Hu-396 DATABASES:
PREHISTORIC CULTURAL MATERIAL, HISTORIC CULTURAL MATERIAL**

Key to abbreviations used in the databases:

PZ	Plow zone
BOPZ	Base of the plow zone
S	Surface
NTr, ETr, etc.	North trench, East trench
bd	Below datum (cm)
mid ex	See mid excavation map
20x20, 5x5	20m ² , 5m ² collection unit
ex to BOP	From hand clearing/shovel scraping to the base of the plow zone after machine excavation
FlotH	From heavy flotation sample fraction
FCR	Fire-cracked rock
INDREF	Indefinite refined ceramics
TP	Transfer printed
Mechanical	Mechanical pencil
heat mod	Modified by heat

Note: The faunal and floral material listings in these databases are incomplete. Please see Volumes 1 and 2 of the report for complete inventories.

These databases are also available on disk in Microsoft Access format. They can be obtained for research purposes by writing to Landmark Archaeological and Environmental Services, Inc. at the address listed on the title page or calling the Landmark office at (317) 758-9301.
