

How to Apply for State LRS

1. Log into ITAP.
2. Click the link at the bottom "Click here to request a new application".

The screenshot displays the ITAP web application interface. The top navigation bar includes the ITAP logo and the text "INDOT Technical Application Pathway". A left sidebar contains links for "Home", "Application", "User", and "Training Videos List". The main content area is titled "Main Page" and features a tree view of "INDOT Applications". The "State Land Records System" is selected and highlighted in blue. To the right of the application list is an "Application Details" panel for the State Land Records System, containing the following information:

Application Details	
Name	State Land Records System
URL	Click here to access application
Description	State Land Records System
Abbreviation	LRS
Last Login Time	12/11/2018 12:47:43 PM
No of Users Logged In Today	0

Below the application details, there is a link: [Click here to request additional roles](#). At the bottom of the main content area, there is a link: [Click here to request a new application](#). The footer of the page reads "Indiana Department of Transporta".

3. Select "State Land Records System" from the list.
4. On the right hand side, you will see a "Submit" button, select that.
5. The application will be submitted for the system. It may take up to 48 hours to get access.
