SUBJECT: Highway Traffic Noise Technical Memorandum
LSIORB
Spring Farm Pointe
Jefferson County

Dear Mr. Green:

The Division of Environmental Analysis is approving the findings of the technical memorandum submitted on April 8, 2013. The findings indicate that there are noise impacts to the development; however, noise mitigation measures do not meet the cost effectiveness criteria established in the 2011 KYTC Noise Policy

If you have any questions, please contact Thomas A. Koos at (502) 564-7250.

Sincerely,

David M. Waldner, Director
Division of Environmental Analysis
