RE: RESIDENT INPUT SURVEY AND INFORMATION MEETING

Dear Resident/Property Owner:

Indiana Department of Transportation (INDOT) is soliciting input from residents and property owners that would benefit from the construction of noise barriers for the Interstate 69 (I-69) Section 6 Project through Martinsville, in Morgan County. The project includes upgrading SR 37 to I-69 from south of Indian Creek north to Twin Branch Road and interchange construction at SR 39, Ohio Street, and SR 252/SR 44.

Noise barriers were determined to be feasible and cost effective on the west side of I-69 at three locations.

1. **Noise Barrier NB1W** – I-69 southbound off-ramp to Morton Avenue/SR 39.
2. **Noise Barrier NB2W** – I-69 southbound between Burton Lane and Ohio Street.
3. **Noise Barrier NB3WA/NB3WB** – I-69 southbound north of Ohio Street between Grand Valley Boulevard and Ohio Street.

As part of the project development process, INDOT asks residents and property owners that would benefit from the construction of a noise barrier whether or not they want the barrier to be constructed. FHWA and INDOT will consider the feedback received before making a decision whether or not to construct each noise barrier. If a majority (greater than 50%) of benefited landowners or residents do not respond a second survey may be required. **INDOT needs your input on whether you want the proposed noise barrier constructed in your area. Please complete and return the enclosed survey card by March 29, 2019.**

A meeting to discuss potential noise barriers will be held on March 12, 2019. The project team will present INDOT's noise mitigation process and proposed noise barrier locations. Project staff will be available to answer questions and solicit input from the public. **Your attendance and participation are encouraged.**

The meeting will be held:

Tuesday March 12, 2019 at 6:00 p.m.
Martinsville High School
1360 E. Gray Street in Martinsville.

Doors will open at 6 p.m. with a presentation at 6:30. Members of the I-69 Section 6 project team will be available before and after the presentation.

Enclosed are maps showing the locations of proposed barriers and a survey card. We request that you either bring the survey card to the meeting or mail the completed survey card to the address on the survey card by March 26, 2019. Without input from the majority of nearby property owners, the noise barriers may not be warranted per INDOT noise policy. **Therefore, it is very important that you submit the survey card for your voice to be heard.**

Details presented at the public information meeting will be posted with other project documents to the I-69 Section 6 website: <https://www.in.gov/indot/projects/i69/2336.htm>.

Comments can be submitted during the meeting via a comment form. After the meeting comments can be submitted until March 29, 2019 by emailing I-69 Section 6 at section6pm@indot.in.gov.

Special accommodations will be made for individuals needing auxiliary aids or services of interpreters, signers, readers or large print materials. Anyone with such needs should contact Rickie Clark with INDOT's Office of Public Involvement at 317-232-6601 or rclark@indot.in.gov.

We look forward to meeting with you on Tuesday March 12, 2019 at 6:00 p.m. Should you have additional questions regarding this meeting, please contact Christine Meador at (317) 636-4682 or via e-mail at cmeador@hntb.com.

Thank you for your attention to and cooperation with this matter.

Sincerely yours,

Sarah Rubin,
I-69 Section 6 Project Manager
