

**FOR IMMEDIATE RELEASE**

**VETERANS DAY WEEKEND WILL BE BUSY ON SR 37**

*Motorists urged to be aware of various lane restrictions for bridge work and paving*

BLOOMINGTON, Ind. (Nov. 9, 2017) – For many state and local government offices, Friday will be observed as a holiday to honor our veterans. But crews working on SR 37 will be busy day and night, and both daytime and night time lane restrictions will be in place for multiple bridge and paving operations.

Mainline SR 37 both northbound and southbound will experience intermittent single lane closures at the 3<sup>rd</sup> Street overpass for milling and paving operations beginning at 9 a.m. on Friday.

The right lane of southbound SR 37 at the Bottoms Bridge over the Bean Blossom Creek Overflow will be closed from 8 a.m. until 4:30 p.m. while crews pour concrete.

From 9 p.m. Friday night until 6 a.m. Saturday morning, there will be various single lane closures on both northbound and southbound SR 37 at the 3<sup>rd</sup> Street overpass. Motorists are cautioned to be especially alert during this time, as lane closures will change in sequence to allow crews to work on the underside of the 3<sup>rd</sup> Street Bridge.

All construction activity is weather dependent, and the schedule is subject to change. Motorists are urged to put down their phones and other distractions, follow the posted 45 mph speed limit and be aware of changing traffic patterns throughout the construction zone.
