DISCLOSURES:

Past performance is not a guarantee or a reliable indicator of future results. The Fund and the underlying collective funds are not insured by the FDIC, Federal Reserve Bank, nor guaranteed by Wells Fargo Bank, N.A. or any affiliate, including Galliard Capital Management. There are risks involved in investing including the possible loss of principal. There is no guarantee that the investment objectives of any fund or strategy will be met. Risk controls and asset allocation models do not promise any level of performance or guarantee against loss of principal. Returns for periods less than one year are not annualized. Performance is shown net of all fees and includes all income, realized and unrealized capital gains and losses and all annual fund operating expenses. Returns may have been impacted by the effect of compounding and have been rounded to the nearest basis point.

The INPRS Stable Value Fund invested in the Wells Fargo Stable Value Fund C from 4/1/2014 - 1/2/2017. Performance for periods prior to this date include historical performance of another investment advisor. Benchmark is the 3yr Constant Maturity Treasury. While it is believed that the benchmark used here represents an appropriate point of comparison for the Fund referenced above, prospective investors should be aware that the volatility of the above referenced benchmark or index may be substantially different from that of the Fund; and holdings in the Fund may differ significantly from the benchmark or index if the investment guidelines and criteria are different than the Fund.

Trading Restrictions/Wash Rule: A member may move money into the Stable Value Fund from any investment in the plan at any time. A member cannot move money directly from the Stable Value Fund to the Money Market Fund regardless of how long the money has been invested in the Stable Value Fund. A member must first move the money to another Fund for 90 days before it can be moved to the Money Market Fund.
