Will I lose my PERF account when I leave my job?

There are two parts to the PERF benefit structure. The first part is the Annuity Savings Account (ASA). This money is yours. There are requirements for withdrawing this money, but leaving your PERF-covered job does not reduce or eliminate this benefit. The second part is the pension benefit. To be eligible for a pension when you retire, you must meet certain age requirements and be vested.

How do I know if I’m vested?

Vested in the PERF plan means that a member has at least 10 years of PERF-covered service (certain elected officials have 8-year vesting). You earn service by working in a PERF-covered position, but may also be eligible for service credit if you have military service leave or other authorized leaves. Information about service is available on the Web site or in the PERF Member Handbook, which is available at www.inprs.in.gov.

If you are thinking of leaving employment or retiring and have between nine and 11 years of service credit, you may wish to check with PERF to verify your actual vested status.

Can I leave my money invested in PERF if I am not working in a PERF-covered position?

Yes! The funds in your ASA belong to you even if you are no longer working in a PERF-covered position. You are under no obligation to take a distribution until you reach 70 1/2 years of age. You will not be able to contribute any more money to your account if you are not in a PERF-covered position, but you will be able to remain in any of PERF’s current investment options. You will also continue to receive electronic quarterly statements and be able to change your investment option choices. If you are vested, you can simply remain invested in PERF until you apply for retirement. Your PERF account will be available whenever you choose a distribution.

Will PERF ever lose track of where I am?

After you leave PERF-covered employment, PERF no longer receives contributions or wage reports for you. PERF maintains all the information related to your account and reports from your employer(s) in member files. You should receive an electronic quarterly statement (every three months) with the details of your ASA investments. Or, if you opted to receive a paper statement, it will be mailed to your home. Unfortunately, members often forget to tell PERF when they move or experience a life change that might require them to name a new beneficiary.

Regardless of whether you are currently employed in a PERF-covered position, you have the responsibility of keeping your personal information up-to-date. If you decided not to receive a paper statement, it will be mailed to your home. Unfortunately, members often forget to tell PERF when they move or experience a life change that might require them to name a new beneficiary.

Leaving PERF-covered employment does NOT mean you leave PERF!

You do have options with your PERF account. The choices you make can have a big impact on your later years. This fact sheet explains these choices and how each might impact your life. If you have questions, please contact PERF.

ABOUT DISTRIBUTIONS

Can I withdraw my ASA?

When you leave PERF-covered employment before retirement, you may be tempted to take a distribution of your ASA. Although taking a distribution may give you money to cover immediate expenses, you may end up walking away with less than expected. If you are under age 59 1/2 when you leave employment and take a distribution, you may be required to pay an additional 10 percent tax unless you qualify for certain exemptions set forth by the Internal Revenue Service.
Continued Information on Leaving PERF-Covered Employment

**Revenue Service.** Before you receive the money, PERF must also withhold 20 percent as pre-payment of your current year’s federal income tax. Depending on your income tax bracket, you could owe additional taxes on your total income at tax time.

**If I take an ASA distribution, do I still get a pension?** The law recently changed to allow members to withdraw the entire amount of their Annuity Savings Account and still receive their pension when retirement eligible. If a member is eligible to withdraw his or her ASA and not lose his or her pension if he or she is vested, terminates employment, and does not perform service in a PERF-covered position for at least 30 days after terminating his or her employment. If a member is eligible for a reduced or unreduced pension benefit they must elect to retire. Once you are vested and meet eligibility requirements, you will receive a pension check every month after you retire for the rest of your life! If you are not vested you will not qualify for a pension benefit.

**How do I get a distribution of my ASA?** You can log in to your PERF Online account to initiate your request for a distribution. You may also call (888) 526-1687 to initiate your distribution request via phone with a customer service representative. You must choose whether to take your ASA as a single cash distribution or roll it over into another qualified retirement account. Some of your ASA contributions may have been made with money you have already paid taxes on (post-tax) and some contributions may have been made before taxes were paid (pre-tax). The application includes further explanations. You may wish to speak with a tax advisor before making your distribution choices.

**What is a rollover distribution and how do I take it?** Rather than take a cash distribution of your ASA, you can roll money into a qualified retirement account outside of PERF, such as an IRA or certain employer retirement plans. (Your funds are not reduced by taxes or penalties.) Consult with your tax advisor for further information on taxes.

**ABOUT RETIREMENT How do I apply for my retirement benefits?** Retirement from PERF means you receive a monthly pension benefit payment. You can apply for full PERF retirement benefits if you have at least 10 years of service and are at least age 65 or are at least age 60 with 15 years of service. You may also apply for full benefits if you meet the Rule of 85, which requires that a member’s age and years of service total 85. If you have 15 years of service and are age 50 through 59, you are eligible for a reduced benefit amount. The amount of the reduction is a percentage of the full amount based on your age and years of service at retirement. See the PERF Member Handbook for more details.

PERF will only pay up to six months of retroactive benefits from the date of your retirement application. Your application cannot be processed until all information from you and your employer(s) is submitted. Submit your application no later than 90 days prior to your retirement date. Generally, if members submit their application 90 days before their retirement date AND the employer submits to INPRS their final day worked and wage information. Qualified members may have been made before taxes were paid (pre-tax) and some contributions may have been made before taxes were paid (pre-tax). The application includes further explanations. You may wish to speak with a tax advisor before making your distribution choices.

**What do I do now?** Remember that you can fill out applications in advance, but you are not actually eligible to receive any PERF benefit (retirement or distribution) until after your last wage earning day with your PERF employer. PERF distributions always require some information that must be supplied by that employer. For further information and assistance, check the Web site, www.inprs.in.gov, or call customer service toll-free, (888) 526-1687.
