Total Health Connections (Total Health Total You) Resources**	Work with Anthem's Total Health Connections team of clinicians to help you navigate health plan resources, & manage your chronic or complex health conditions. Earn rewards for sessions with completed assessments.	\$10/session (max. \$50)
Participate in a Diabetes Prevention Program (DPP)**	Join a DPP to learn how to prevent Type 2 Diabetes. You have three options to choose from: app-based (Lark), virtual coaching (LiveHealth Online), or find a program in your community. Earn rewards as you hit program milestones.	\$25/milestone (max. \$100)
Participate in the 9amHealth Diabetes Program**	Work with 9amHealth to manage your diabetes. Earn \$25 when you create a care plan, and \$25 for months you work on your care plan using video or phone call with care team, messaging with care team (text, in-app, audio or email), reading articles & watching educational videos in the app, and completing ordered lab tests.	\$25/engagement (max. \$100)

To earn the reward, each activity must be visible in your [ActiveHealth Rewards Center](#) by December 31, 2025. Service or activity must be completed in 2025.

*These preventive care services will automatically show as complete in the ActiveHealth Rewards Center once the claim for the service is processed by Anthem. If the claim was processed by other insurance, or paid by other means, you will need to submit a Missing Preventive Service form.

**Anthem/9amHealth sends the date each program assessment, session, or milestone is completed to ActiveHealth. This automatically completes the reward in the ActiveHealth Reward Center. These files are sent monthly so it may take a few weeks to see your earned reward.
