

# SHI New QPA's for IT

## Client Hardware & Peripherals

- Laptops, Desktops, Monitors, Conference Room Equipment, Printers
  - Plus tablets, cameras, cables, memory, drivers, and more!

## Servers

- Servers, Hyperconverged Infrastructure, VMWare

## Who is SHI:

Starting in 2021, SHI was directly awarded 2 QPAs by the State of Indiana and added to the Cisco networking QPA. SHI will work with various partners, such as Dell, Lexmark, HP, and many others, to give the best possible solutions for Indiana!

SHI is the largest M/WBE in the US and has been privately held, debt free for more than 30 years, as well as being Buy Indiana certified.

SHI invests heavily in our technical people with thousands of pre and post sales technical experts within datacenter, security, networking, conference rooms, and more.
