

## Registering your Android in MobileIron

Your first step to register your Android device in MobileIron is to obtain a PIN from the user portal.

1. From a desktop computer, access the portal at <https://mdmcore.iot.in.gov/mifs/user> and sign in with your State email address and password. You may also access this portal using the mobile browser on your device.

A screenshot of the MobileIron user portal login page. At the top center is the MobileIron logo, which consists of a red stylized 'M' icon followed by the text 'MobileIron'. Below the logo are two input fields: 'Username' and 'Password'. The 'Username' field is a white rectangle with a blue border. The 'Password' field is a white rectangle with a grey border. Below these fields is a blue button with the text 'SIGN IN WITH PASSWORD' in white. At the bottom right of the page, there is a small copyright notice: 'copyright © 2018 MobileIron.
