PUBLICATIONS

IPDC Publications are sold only to criminal defense attorneys. They are all also available to authorized users on the IPDC website. Click here to access the order form.

Indiana Criminal Law on disk: Includes most IPDC manuals and handbooks, plus the Criminal Law Casebank (Digest of Indiana appellate, Supreme Court, U.S. Supreme Court cases, and defense-friendly decisions from other jurisdictions), Court Rules; Obtaining Funds for Experts Pamphlet; Indiana Code; U.S. and Indiana Constitutions. Updated twice a year.

Appellate Practice Manual: Contains multiple sections, from initiating appeal through oral argument. Includes CD-ROM containing sample filings, briefs and motions.

CHINS/TPR Handbook: Comprehensive guide to representation in both CHINS and TPR proceedings.

Confessions Handbook: A 100-page outline to be used as a starting point in litigating Fifth, Sixth and Fourteenth Amendment issues in cases involving confessions. Provides examples of state and federal case law and possible arguments to assist in beginning research, along with a chart demonstrating the application and overlap of constitutional protections.

Criminal Code: A 4 ½ by 6 copy of the Indiana traffic and criminal law statutes. Updated annually.

Criminal Trial Law: Offers a systematic and comprehensive analysis of issues in criminal trials. Within these pages you will find a good starting point for research and quick citations to legal authority for an objection. Includes Indiana Rules of Evidence and Trial Objections Outline.

Defending a Capital Case: Nuts-and-bolts guide to death penalty defense, with links to over 350 additional resources and sample pleadings on included CD-Rom.

Evidence: Organized around the Indiana Rules of Evidence to provide fast, accurate answers to evidentiary issues. Also includes practice pointers, suggested arguments to preserve issues for appeal and citations to relevant controlling and persuasive authority.

Expungement: Guide to expunging arrests and convictions, with links to sample petitions and orders.

Getting Funds for Experts: Outline of law and procedure with sample motions.

Immigration Consequences of Criminal Convictions: Comprehensive guide to identifying Indiana criminal offenses triggering immigration and deportation consequences.
**Indiana Rules of Evidence/Trial Objection Outline:** Indiana Rules of Evidence and IPDC’s Trial Objection Outline printed in a 4 ½ by 7 wire-bound pamphlet for taking to court.

**Jury Instructions:** Broad collection of jury instructions with authorities. Online and CD-Rom only.

**Juvenile Delinquency:** Covers juvenile law and procedures; statutory and constitutional rights of juveniles; a time-line of critical dates; and practice pointers. The current edition also includes sample motions for juvenile court cases, as well as contact information for organizations providing information and assistance in the area of juvenile law.

**Performance Guidelines for Juvenile Delinquency Representation:** Guidelines developed for attorneys representing juveniles in delinquency cases.

**LWOP Defense:** Nuts-and-bolts guide to special issues that arise in a murder case when the state seeks Life without Parole. Additional resources and sample pleadings on CD-ROM.

**Performance Guidelines for Criminal Defense Representation:** Guidelines developed for attorneys representing criminal defendants in Indiana courts.

**Pretrial Manual:** Criminal pretrial practice and procedure manual; includes discussions, practice tips and checklists; explains case law.

**Probation and Parole Handbook:** Probation and parole chapters from IPDC’s Sentencing Manual reprinted in 8 ½ by 5 ½ wire-bound pamphlet for taking to court.

**Representing Clients with Mental Illness:** 17 chapters in 4 sections plus appendix. It includes: recognizing and working with mentally ill clients; legal issues and procedures; mental health expert investigation and evaluation; developing, presenting and challenging mental health evidence at trial.

**Search and Seizure Handbook:** A 160-page outline to be used as a starting point in litigating search and seizure issues. It will help you spot appropriate issues and gives relevant case law. It also provides novel arguments from other jurisdictions that have not yet been addressed in Indiana.

**Sentencing Manual:** Guide to sentencing law and procedure, probation and parole.

**Sex Offender Registry Pamphlet:** Nuts-and-bolts guide to sex offender registry requirements and removal.

**Traffic Law Manual:** Comprehensive yet concise guide to pretrial and post-trial license suspensions and ways to obtain relief for your clients. Includes sample petitions, memoranda and orders.
